Redwood High School

Your school was always there with its spirit of friendship and closeness, but its face was scarred and getting on in years until it was given a new look . . . Redwood has changed now with her library and administration buildings to brighten her campus. The seniors had a new stomping ground too, to make all prouder of their own Redwood.

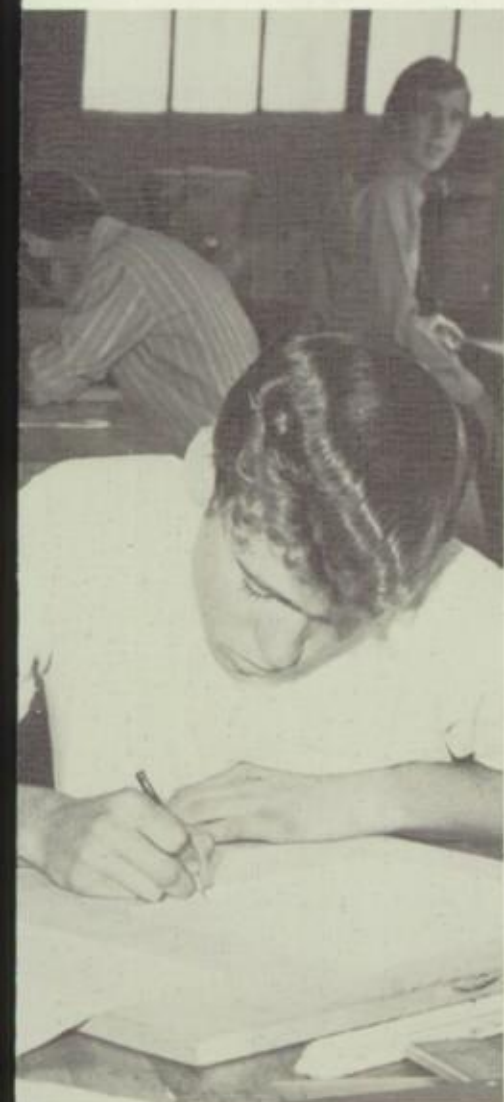

A busy year was spent at Redwood with classes running on and on, studies giving you a lot to think about, and teachers making school the most challenging experience ever known. You sit back now and remember the times when classes bored you to death and you napped happily allowing your teachers the privilege of lecturing in peace—and you smile.

Fall saw many, especially girls, freezing stubbornly in summer clothes, as the nippy breezes of the coming winter blew strong.

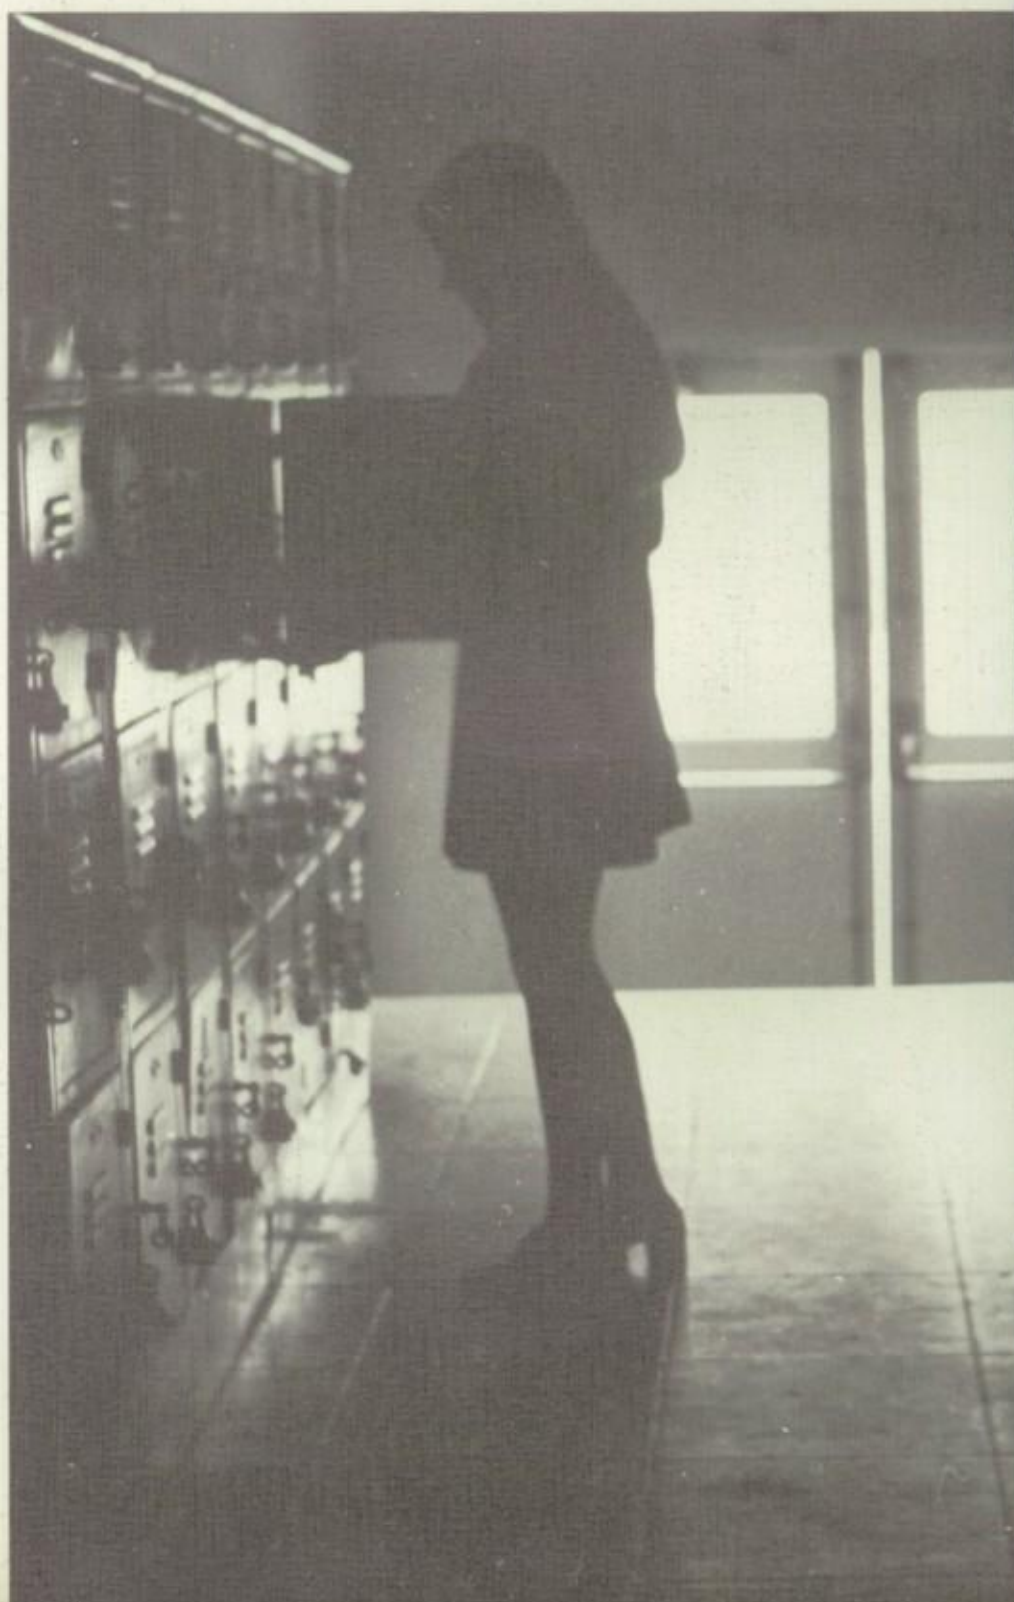

One of the best seasons for Redwood was Fall . . . When touchdowns were many and defeats were few. That was the time of screaming pep squads, hysterical queens, and paint-covered Spirit-mongers. It was the time when parades were the center of attention, as at Homecoming Day activities.

Wading through the small lakes which covered your campus then, you gathered cans for the canned food drive and listened to Christmas hymns during the Silent Hour in the auditorium. It was a time of giving and receiving, and at Redwood all became one with its spirit . . . Winter was here.

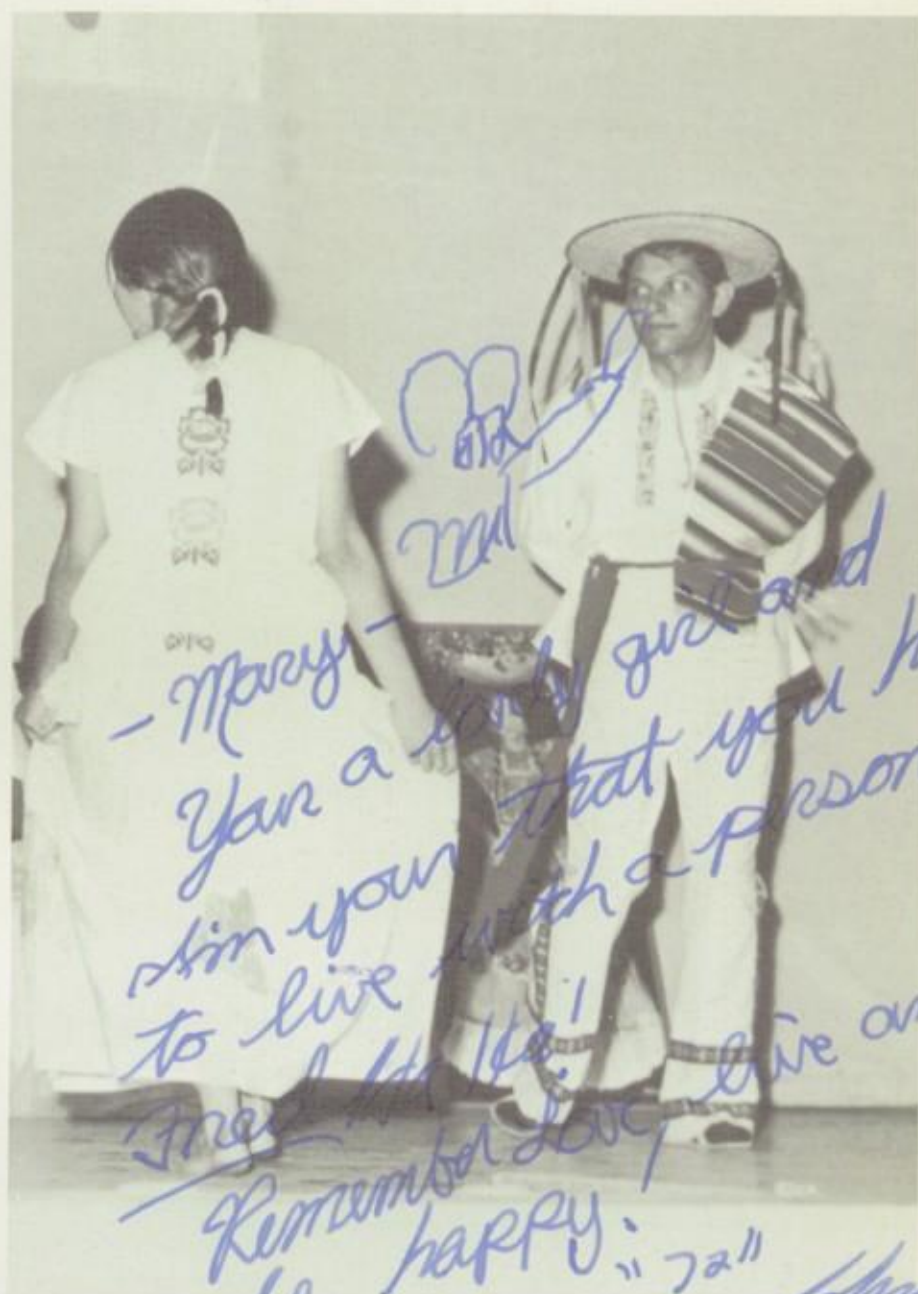

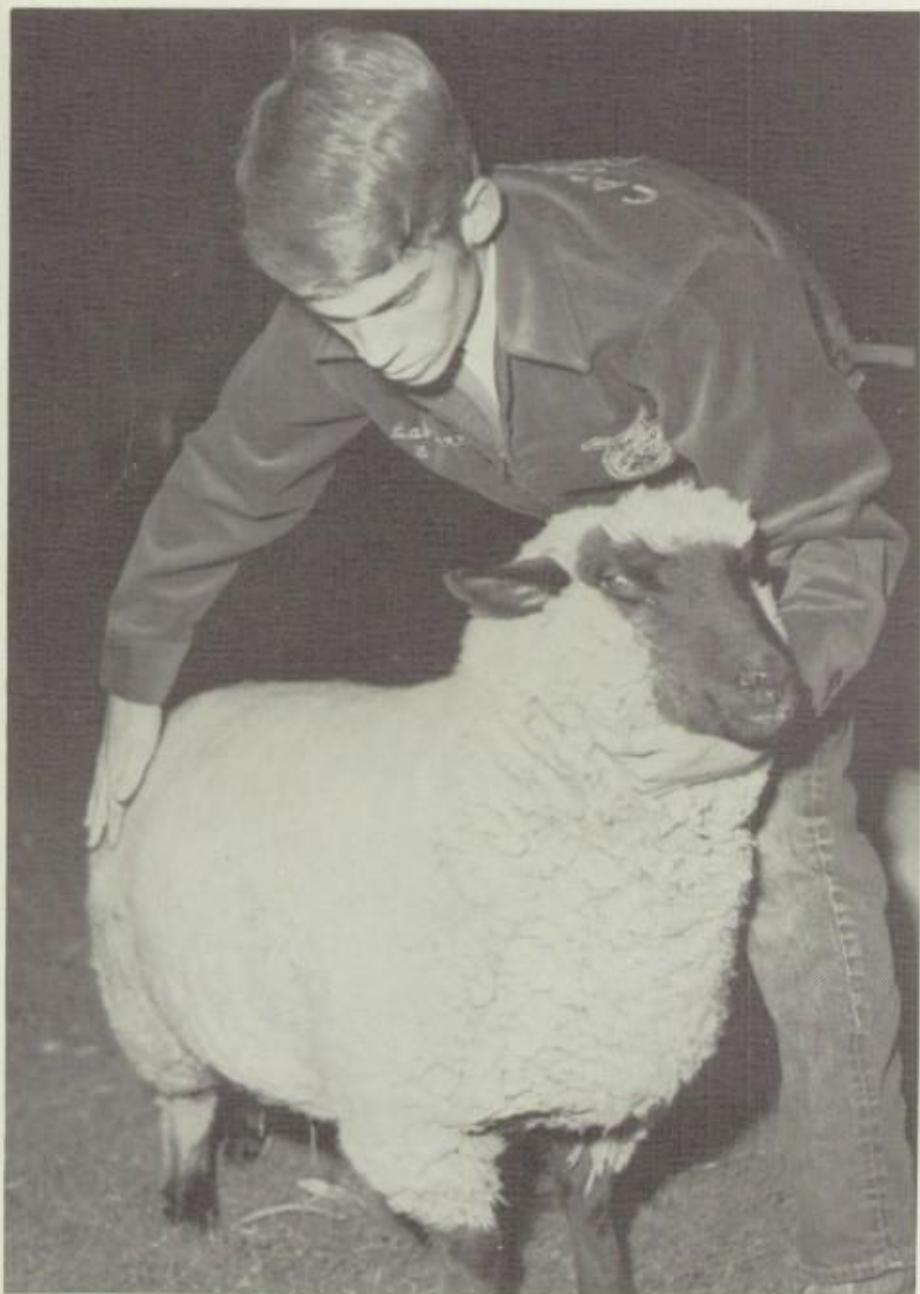

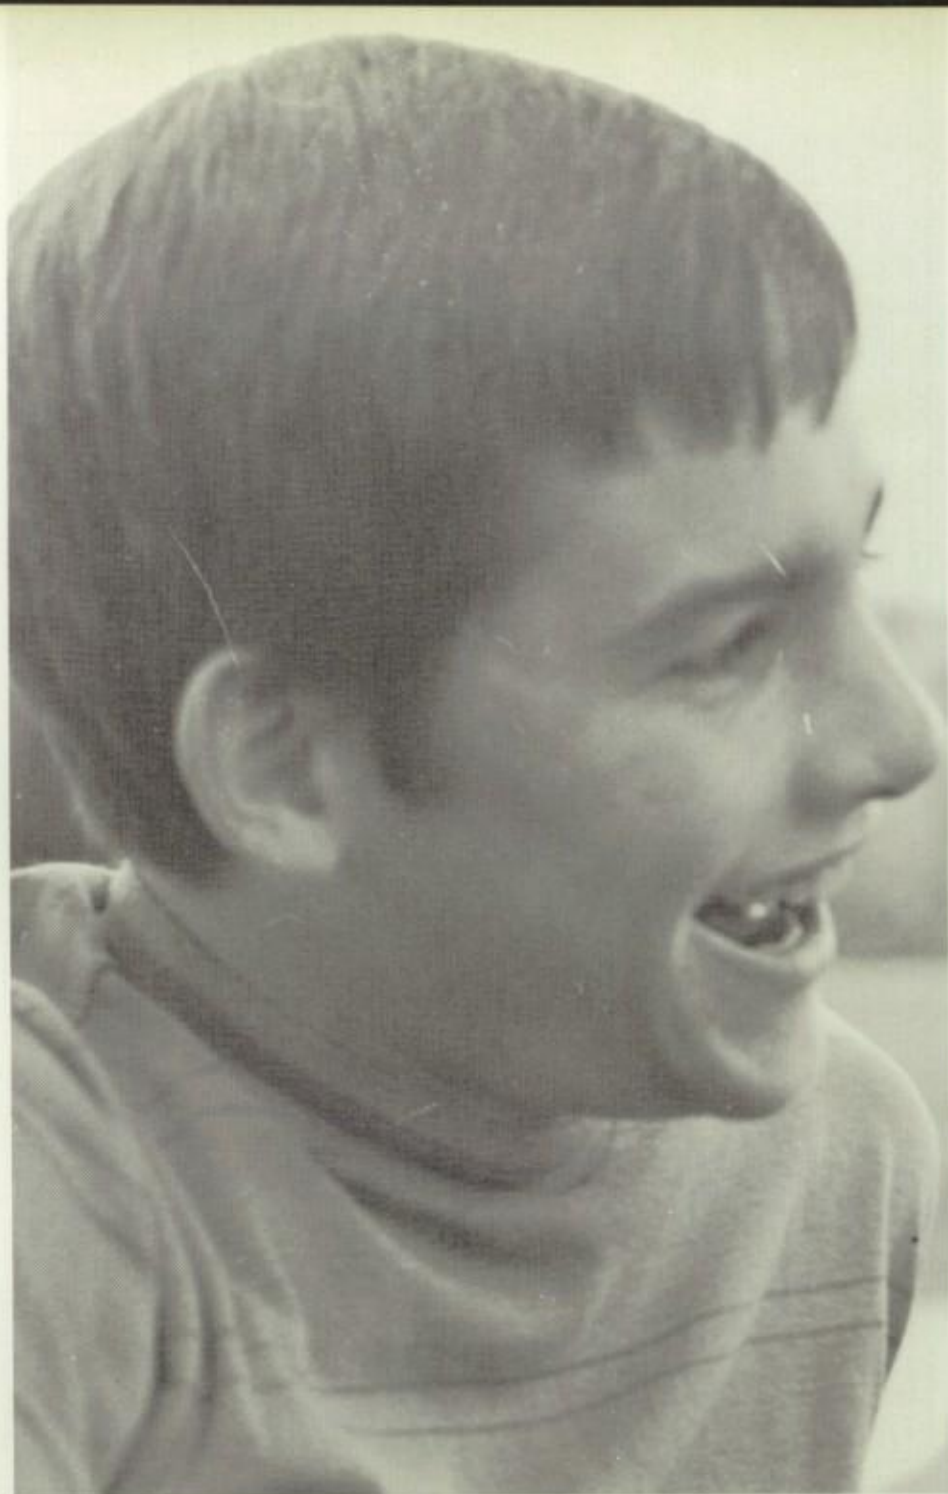

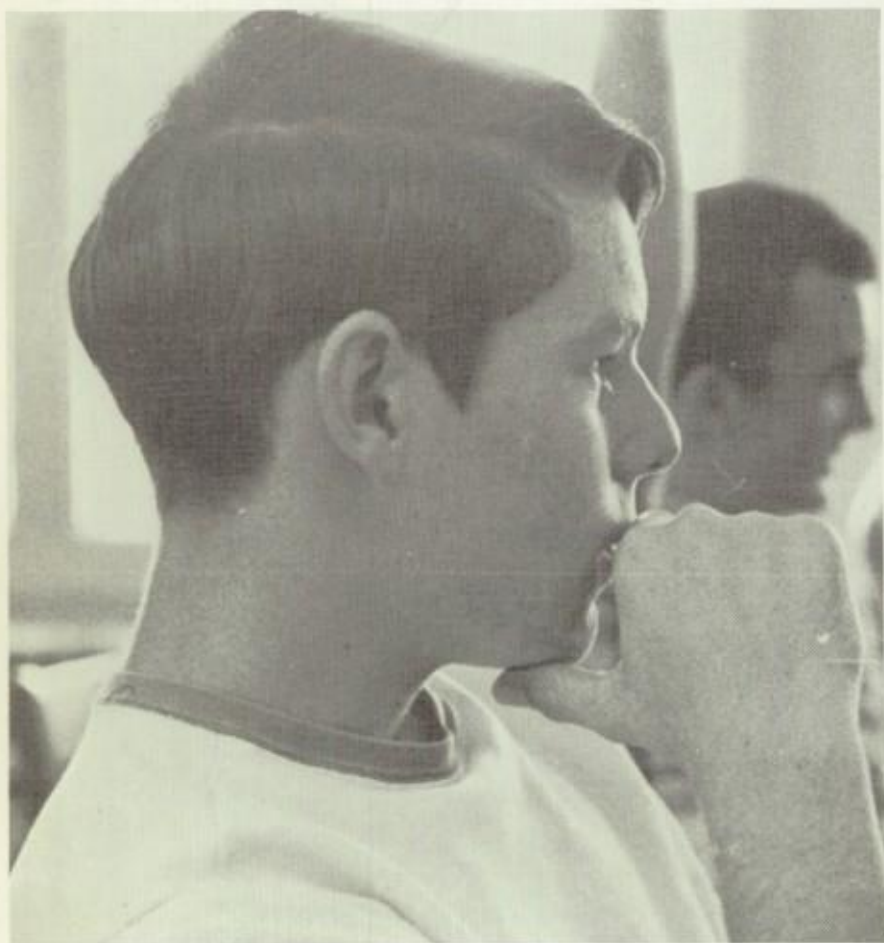

When school was out in the afternoon, everyone scattered. Some chased golfers off the golf course by passing footballs into sand traps, while others invaded the Pizza Parlor after the games. FFA took up much rewarding time in many lives, and Candy Striping told the community that many were there to help. As each day died you looked back for a moment, and then on to the next.

Trudging wearily to class from all too short vacations you face the challenge of the last semester, filled with your last exams and fifty page term papers. Breaking the monotony of study was the prom, FFA Week and Sadie Hawkins Day. Combined with these activities was the ever present agony of Spring—sitting in classes while thoughts of the river seemed all too inviting.

Mary,
 It's been

The end of the year has caught up with you now, and you wonder where the long months went. You look back on all the good times you shared and look forward to the times next year will bring. This is the end for some at Redwood, but only the beginning for others. The year of 1971 has been your year, and the memories you preserve and cherish are all that's left.

Class of '71 drops from 440 to 377

Tradition took its toll again as Seniors struggled once more through civics and P.E. and filling in the rest of the time. School activities helped fill this extra time with Homecoming, canned food drive, Disneyland, testing, and graduation. Homecoming activities put the seniors out in front with the greatest number of points collected during the week's activities. The senior float upheld the tradition of coming in second for the fourth straight year.

The SAT, ACT, and achievement tests found many seniors at COS on Saturdays, for the four hour tests. Senioritis arrived as seniors enjoyed the last year of senior court as it is in its present location and the tradition of leaving first at assemblies. Following the pattern of last year, the Class of 1971 planned the trip to Disneyland before graduation.

Much time was spent trying to earn the money to finance the year's activities. The biggest money making projects were football and basketball game concessions and cookie sales.

Class of '72 plans a successful prom

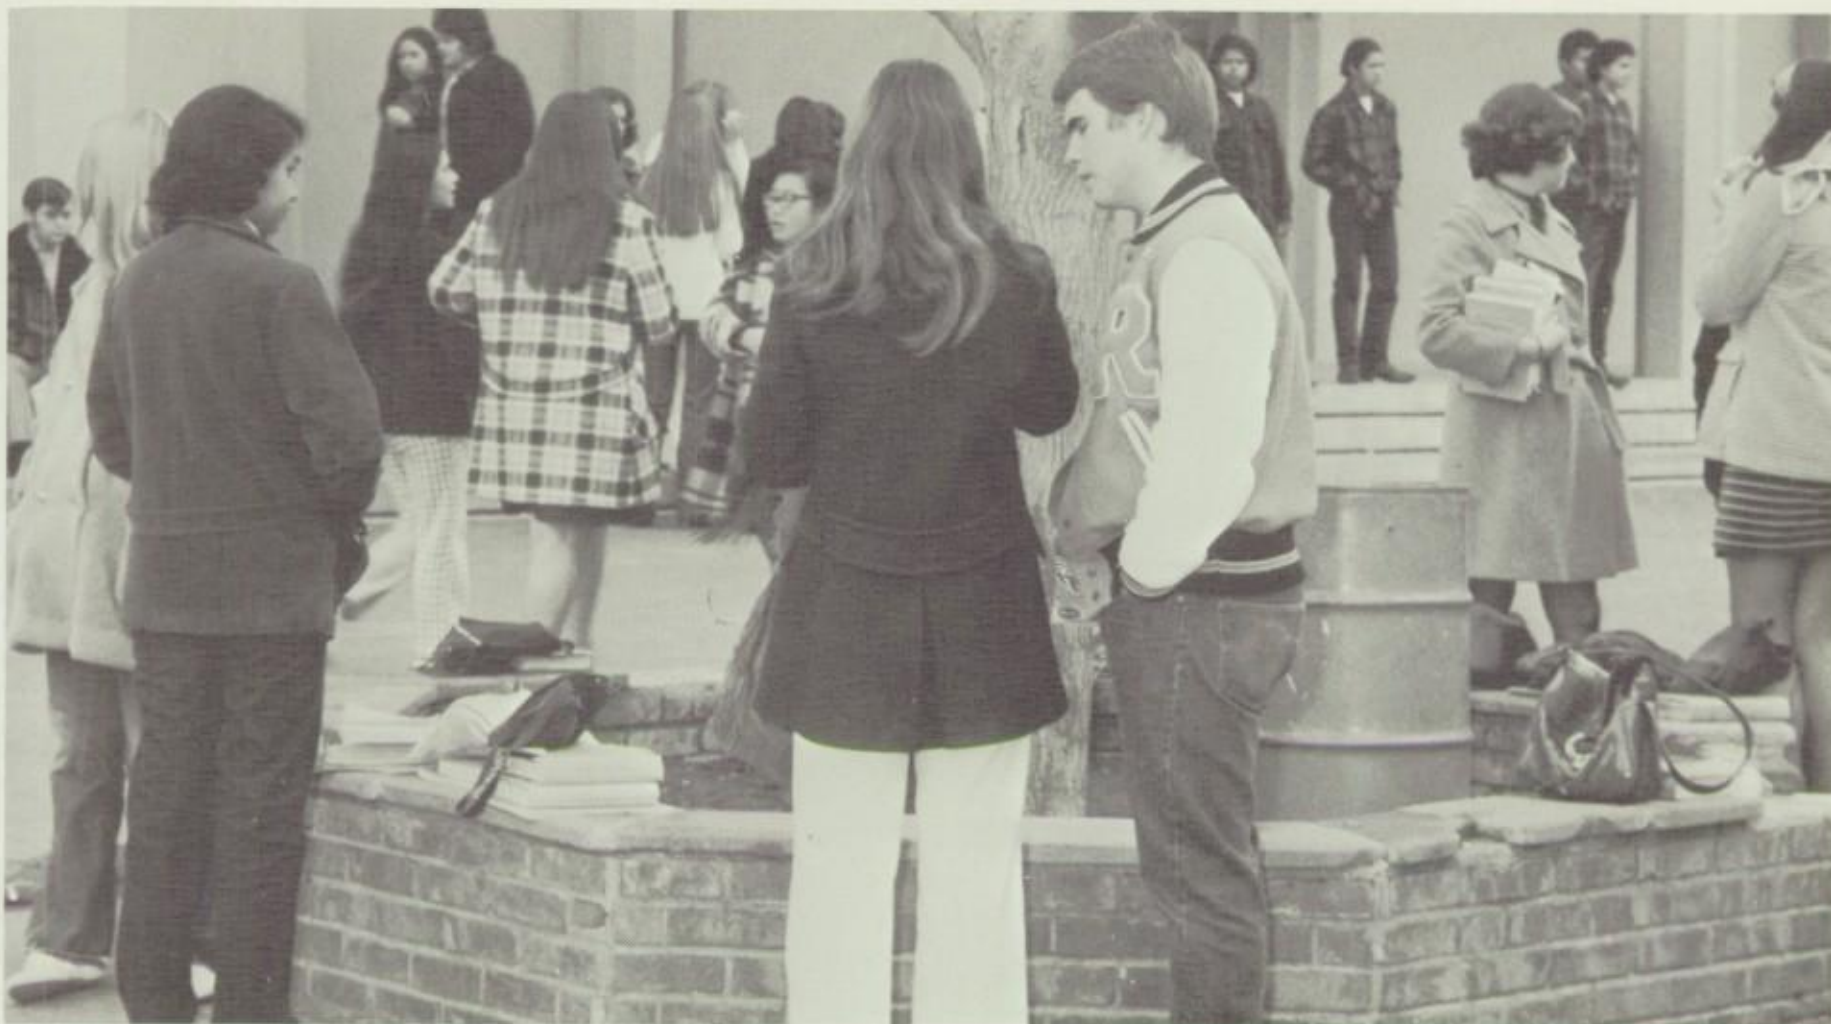

The class of '72 was led through their first semester by Jeff Steiner, President; Amparo Alvarez, Vice-President; DeEsta Davis, Secretary-Treasurer; and Barbara Kimble, Yell Leader. Second semester officers were Greg Riddle, President; Bob Berry, Vice-President; Julie Brown, Secretary-Treasurer; and Anna Bastardo, Yell Leader. The main objective of the Junior class was the presentation of the Junior-Senior Prom. There was a committee from both Redwood and Mt. Whitney to work on choosing a theme and band. The Redwood committee was led by Bill Wilson. The class sponsored a number of money raising projects in an effort to increase the prom fund before May. The project consisted of concessions at football and basketball games and various cookie and doughnut sales. For the second year in a row the Junior class turned in a prize-winning float in the float competition during Homecoming Week.

Coaches Bunting and Leintz talk with a group of Junior boys.

'73 collects most cans for needy

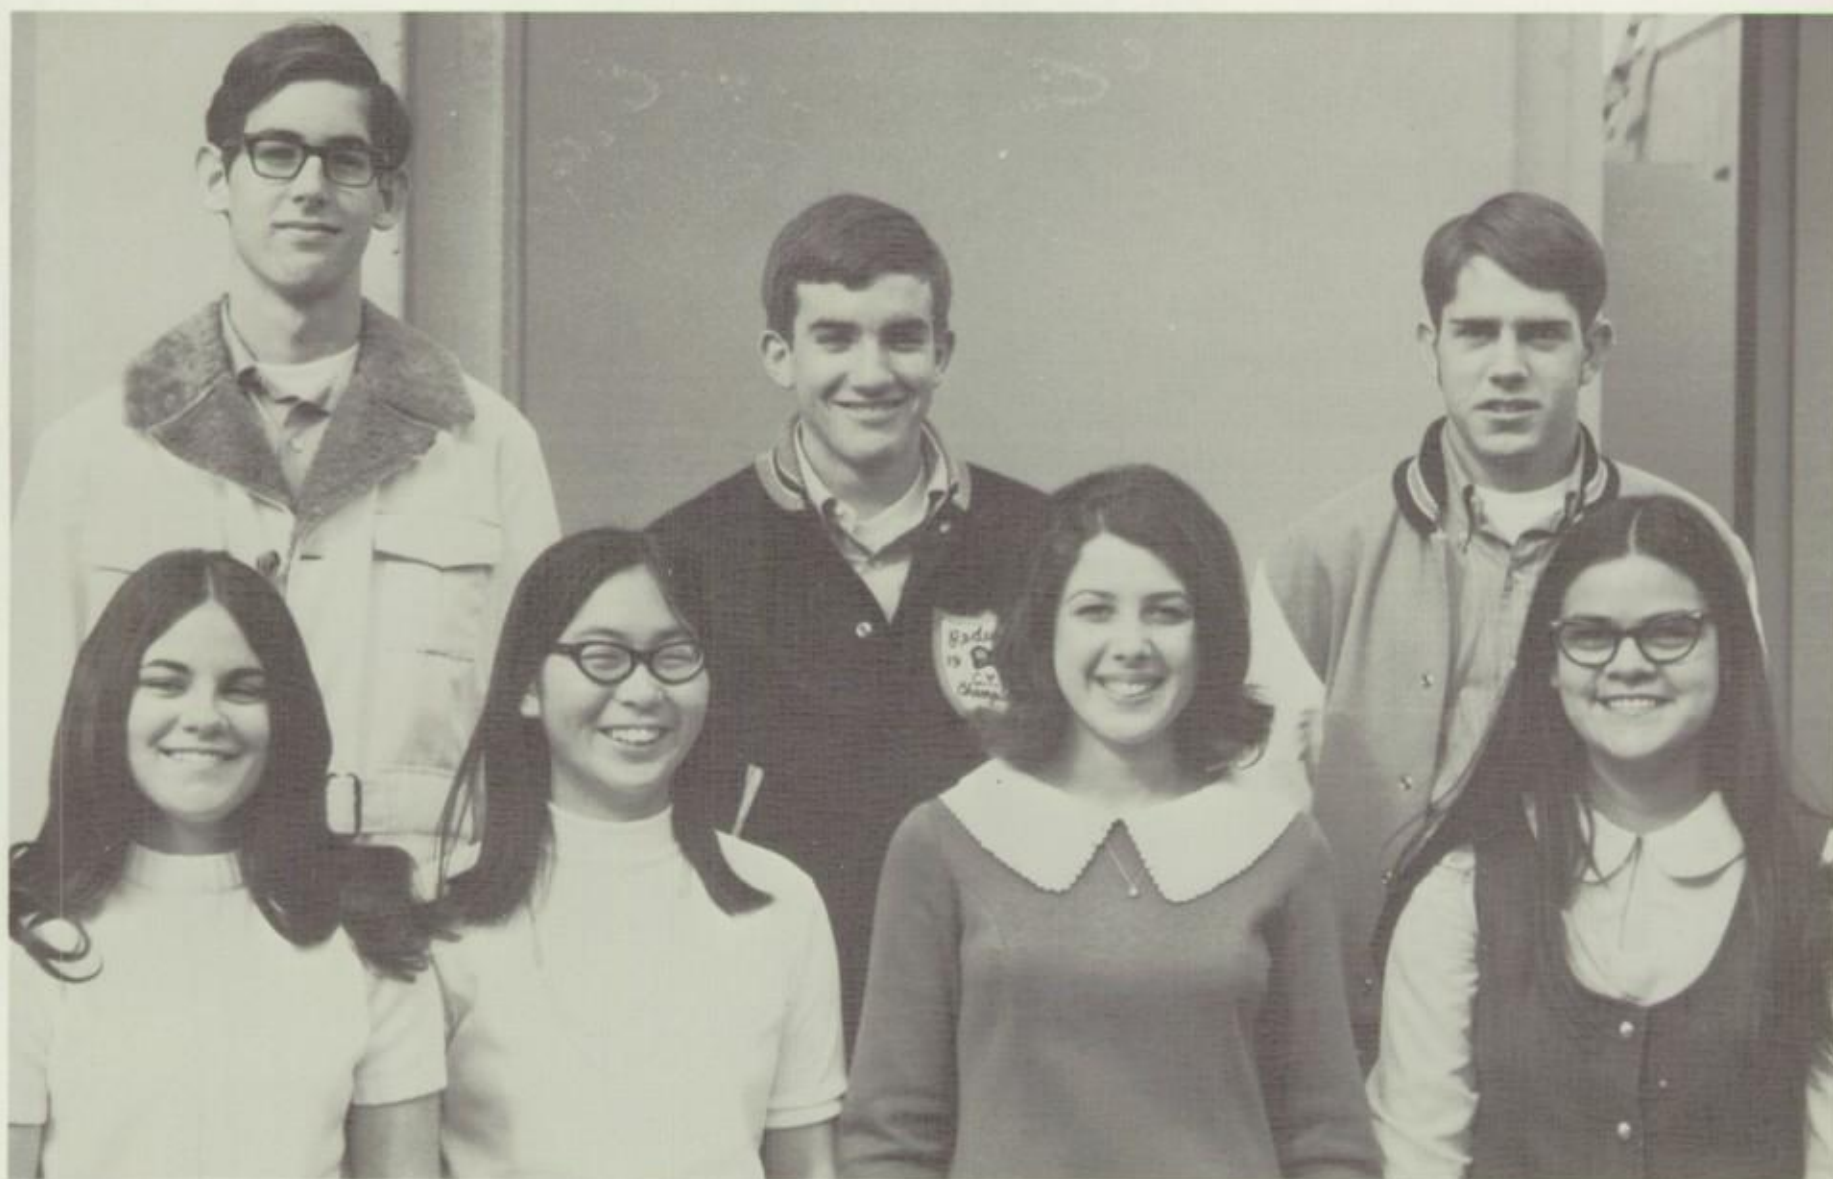

The Sophomore class enacted and carried out new ideas for the 1970-71 year. During the Homecoming week, they worked to produce the annual float, the theme being, "Beat the Bull out of the Pups", taking third place in the class float competition. Money making projects included a concession during the football season, a popcorn sale, and the annual Tennis Court Dance. During the holiday canned food drive for the needy, the sophomores were able to collect 435 cans. On the final night of the drive they went door to door in an attempt to collect more cans. On the last day, sophomore class officers traveled through the various rooms seeking donations of money, gathering \$51.52. Sophomores joined to fight litter by picking up all papers and trash left during the break and lunch periods.

First semester officers were Drew Sorensen, President; Steve Wise, Vice-President; Mary Castiglione, Secretary-Treasurer; and Jannell Ennes, Yell-Leader. Second semester officers were Rosa Garza, President; Jim Hurlbutt, Vice-President; Janie Hatai, Secretary-Treasurer; and Carla Barletta, Yell-Leader.

The vending machines were the major attraction during the break.

Ramirez, first to lead class of '74

Freshmen began their year rather slowly, but progressed as time went on. They built up their funds with assorted concessions and food sales. They worked on the big class project: the homecoming float, with the theme "Chain the Bullpups." Working hard to compete with the other classes, they still wound up with a close last place. First semester officers, Raymond Ramirez as President, and Russell Carr as Vice-President, worked together to lead their class through the early activities. Maria Avalos handled the Secretary-Treasurer office keeping records of meetings and funds. At class competitions during assemblies and at 'B' and 'C' games, Maria Bacigalupo, yell leader, was there to lend support. Second semester officers were Larry Farsakian, President, and Randy Scott, Vice-President, who combined to lead the class through the year end activities. Nancy Pitman took care of the Secretary-Treasurer job, and Sherrie Taylor was Yell Leader.

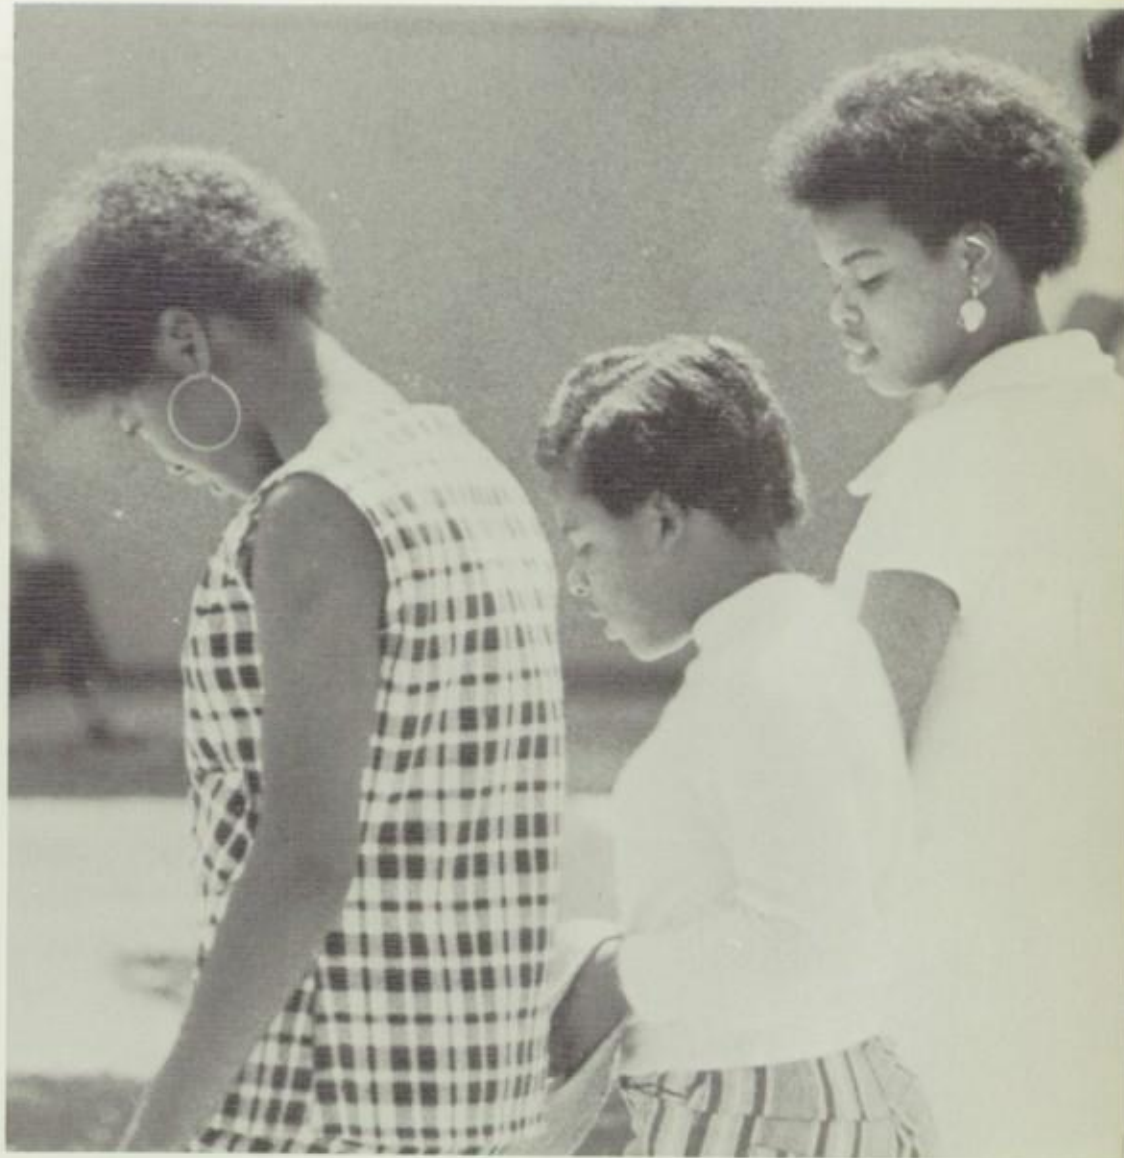

The joys of being a freshman are expressed here by Louis Trujillo.

Activities

Completed in August, the new administration building offers a more comfortable surrounding for faculty and students.

Buildings dedicated to the community

Redwood proudly began the 1970-71 school year with two outstanding new buildings: the library-administration complex and the gym. The original administration building was built in 1910 and after being destroyed by fire in 1967 was torn down in 1968. Construction began on the new library-administration complex in 1969, and when school opened this year the building was in use. Located in the administration section are the main and attendance offices, counselors' offices, the nurse, and the faculty room.

The library complex is a media center and a model library for California. It was given a \$106,000 grant from the federal government to install 12,000 to 15,000 new books and audio-visual equipment. The building contains two group-study rooms, a media center, and carrels, 72 of which are wired for the use of audio-visual educational materials. The seating capacity is 310 students. The first year in the new library was used primarily to organize the books and install the audio-visual aids. Within a few years the library shows promise of being one of the finest school libraries in the state.

Accenting the architecture of the library are the archways and lamps.

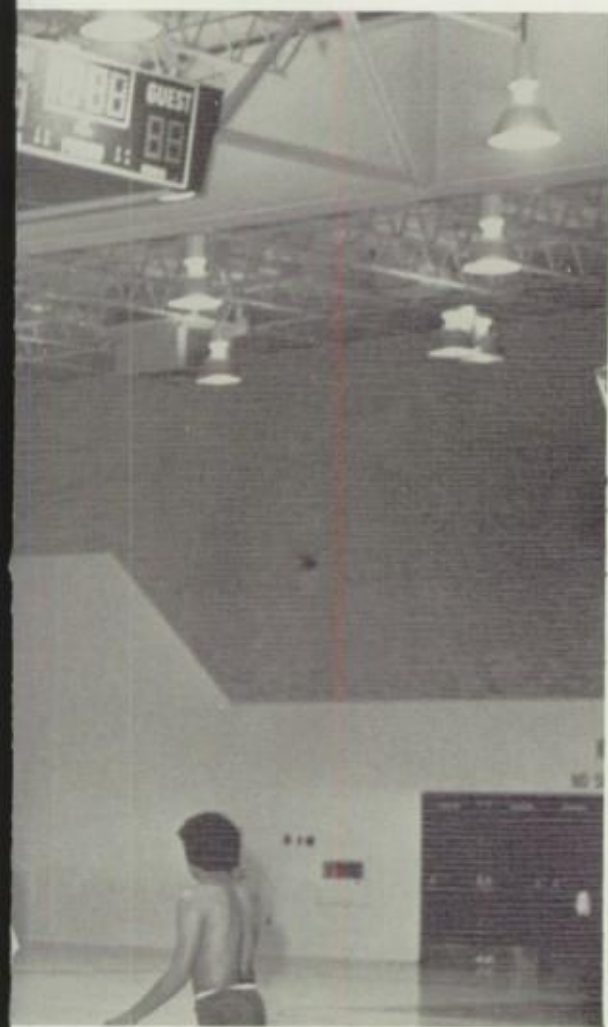

Students tutored in Research Center

The old gym was built in 1920, and after almost a half century of use, the building was condemned. The court section of the building was closed but the locker rooms were used until a new facility could be completed. This facility was finally completed in 1970 after almost two years of construction. The gymnasium has a seating capacity of 1,450. Also in the building are large girls' and boys' locker rooms, a gymnastics room, and a weight room with two weight machines purchased by the student body. The student body also purchased a floor covering to protect the floor surface in the gym during dances and other activities. The total cost of the new building was approximately \$1,500,000.

The additions of the two new buildings have done more for student morale than anything that ever happened at Redwood. Says principal Reinold Peterson, "We are proud. Our students are proud, and now we have something to be proud about."

New gym facilities are used by P.E. classes.

Students study both in the research center and the new library.

Homecoming attendants surrounded their new queen shortly after they congratulated her.

Homecoming attendants were Carolyn Edgar and Terry Luera.

Homecoming Attendants were Chris McDermott and Hildy Ortiz.

Sharon honored at 1970 Homecoming; reigns as Queen

On Friday the Homecoming activities were climaxed by the crowning of Sharon Mirizzi as Redwood's 1970-71 queen. Terry Luera, Chris McDermott, Hildy Ortiz, and Carolyn Edgar presided as her attendants.

A change was made this year in the selection of the 1970-71 Homecoming queen. Each club on campus was asked to nominate a candidate. Nominations included Zufan Lemma, French club; Susan Morris, Rally club; Robin Majors, Key club; Diane Walker, FFA; Dora Valenzuela, Drama; Nora Swank, Speech; Socorro Gutierrez, Future Teachers; Terry Luera, Interact; Hildy Ortiz, Spanish; Stephanie Sorensen, Racquet; Carolyn Edgar, Block R; Sharon Mirizzi, CSF; and Chris McDermott, German club. From these nominations, players involved in varsity fall sports including football, water polo, and cross country chose the five semi-finalists, after which the senior class selected the queen. The semi-finalists were announced in a special pep assembly held in the courtyard.

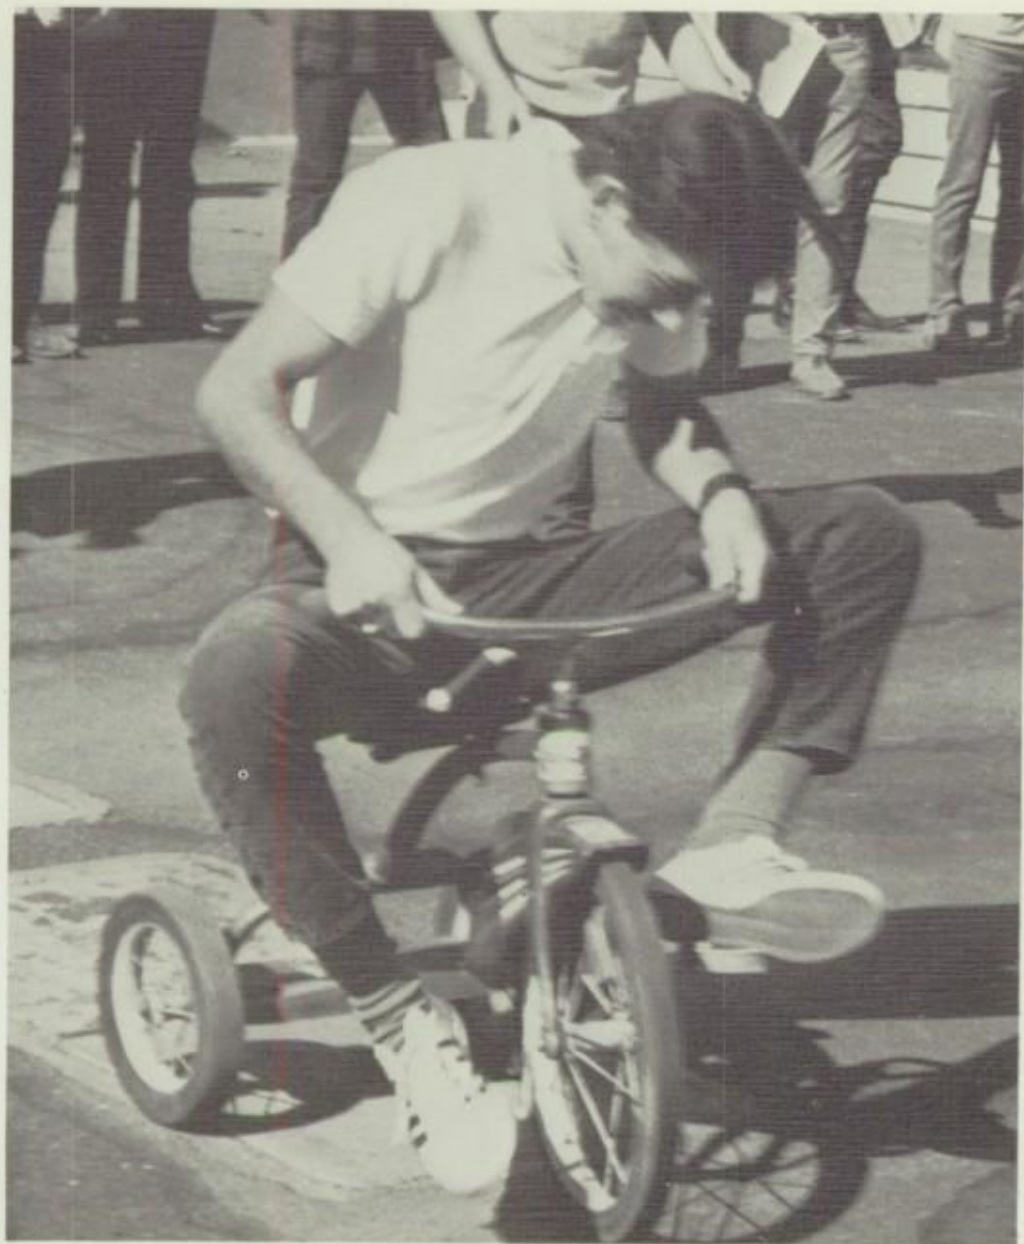

Escorts for the queen and her court were Tom Hayslett, Louie Huerta, Greg Rainwater, Gerald Roberts, and Barry Kitterman.

Rally Club initiates new activities for Homecoming Week

Homecoming Week was kicked off with an apple-eating contest, followed by a tricycle race the next day. While the Senior boys battled against the faculty in a tug-of-war, other students participated in the potato passing relay. At the end of the week, the class which collected the highest number of points received an extended lunch hour. The winner of this competition was the senior class, taking victories in the tricycle race, apple-eating contest and the tug-of-war.

The week ended with the annual Homecoming parade through downtown Visalia where class floats and individual car entries were driven. The winning entries, such as the junior class float and the Art Club car, were later driven around the Mineral King Bowl before the big game against Hanford. These winners received a cash award of ten dollars. Placing second for the third consecutive year were the seniors. After the game a dance was held in the gym featuring *Mozes*.

New linoleum tiling covers dance floor

Of all the activities the students participated in, dances were among the most enjoyable. The annual Ice Breaker Dance in the third week of September began the school year, while the after-game dances during football and basketball season added to the Friday night fun.

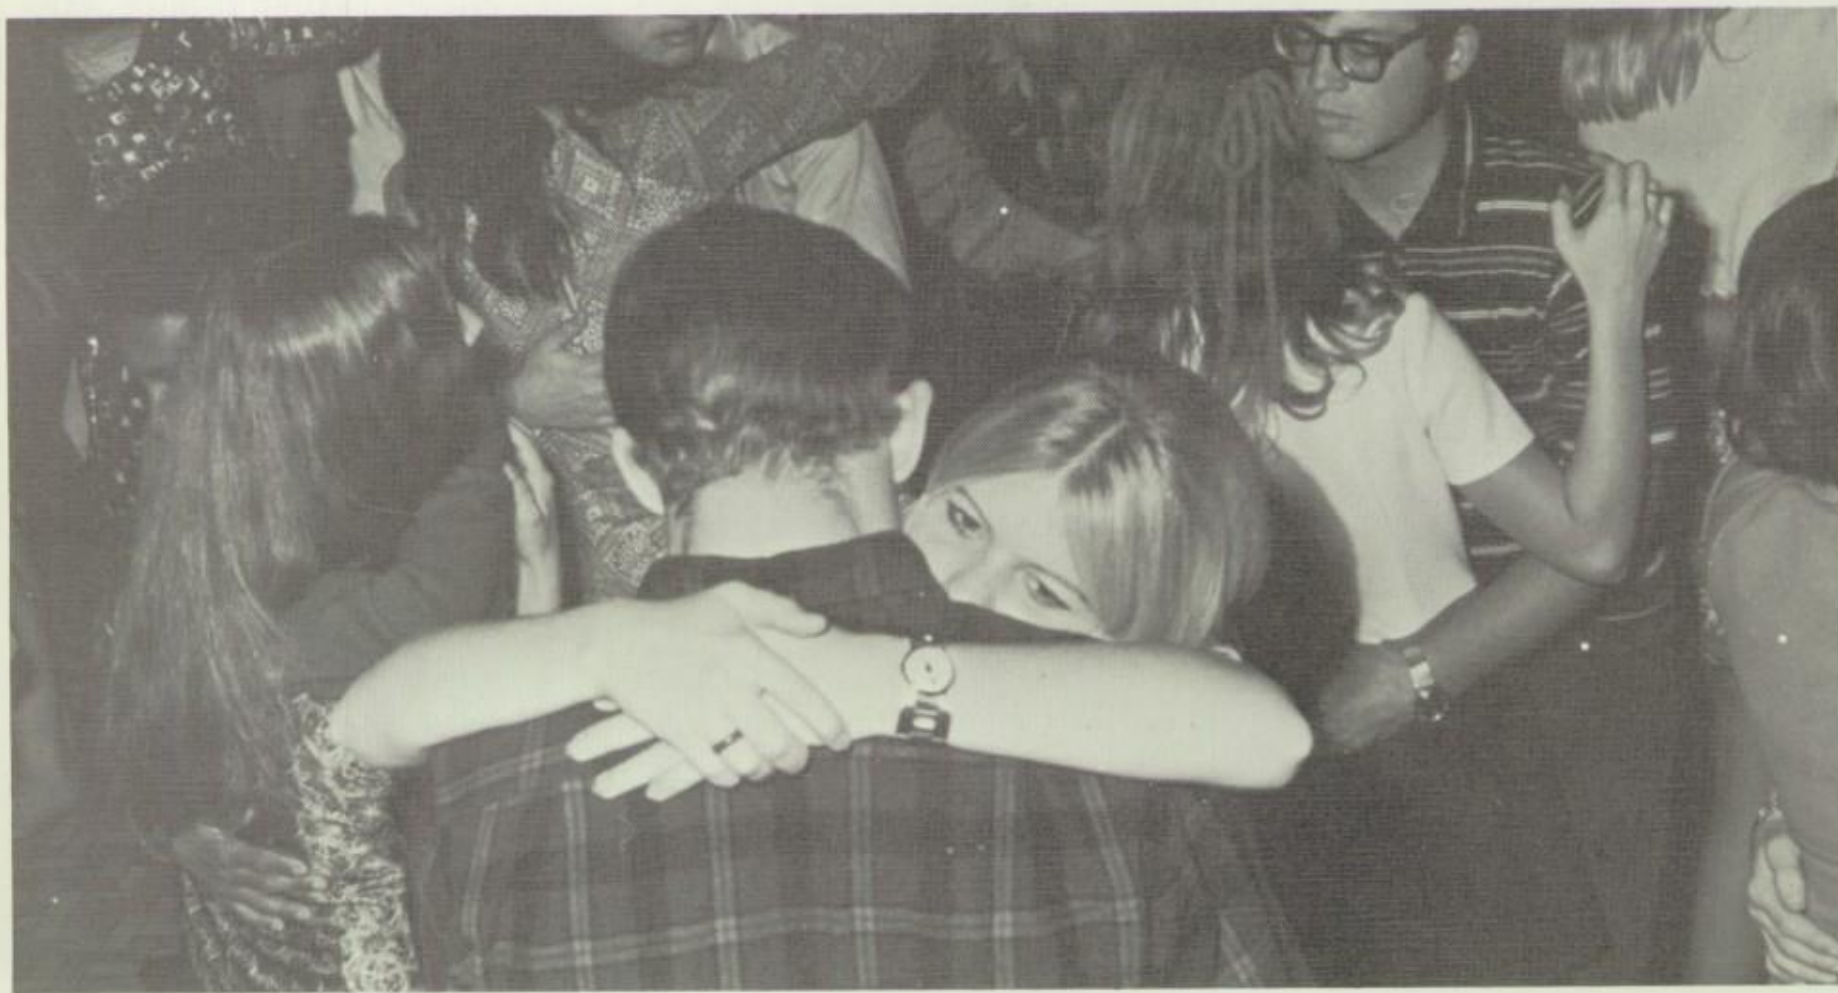

As the Yuletide season neared, students eagerly awaited the annual Christmas dance, called the "Christmas Ball." Santa was on hand to greet all and to dance with some of the guests. The Homecoming Dance was more a part of homecoming this year than in any previous year. Alumni were urged to come by the students and local radio stations. The event proved quite successful. Spring brought the Future Farmers of America Barn Dance in March.

Highlighting the year was the Junior-Senior Prom held on May 15th. The theme "Love Makes the World Go Round" brought the romance of far away places to Redwood and Mt. Whitney students. The Juniors of both high schools jointly sponsored the dance which was held in Redwood's new gym.

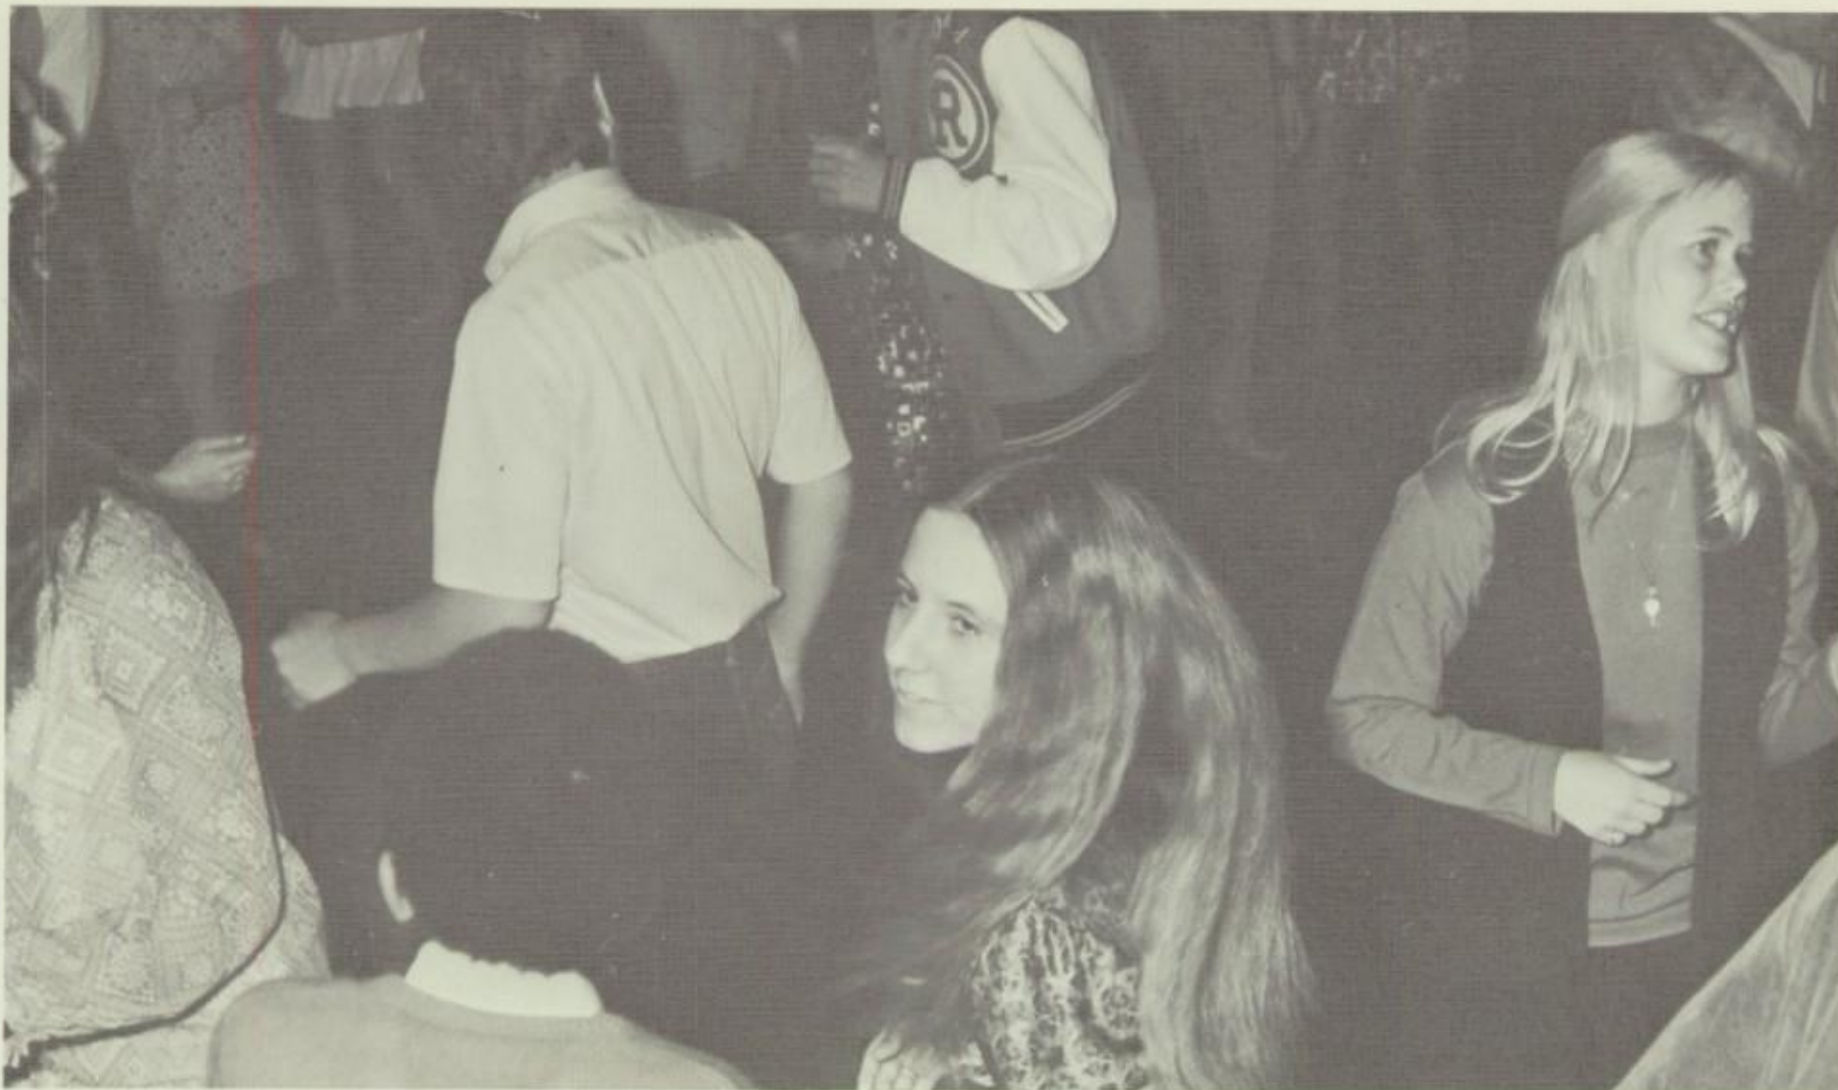

School-sponsored dances gave students something to look forward to, while bringing variety and enjoyment to the usual campus routine.

Laura Rawlins, Gail Osburn, and Geary Maness find that three is company.

Slow dances are enjoyed by all during an after-game dance.

Russian speaker challenges students

The first of many assemblies for Redwood was the annual Welcome Assembly, which was presented to introduce the freshmen to the student body officers and teachers. The New Hope Singers performed for the third time at Redwood to their own music featuring hit songs.

An unannounced appearance by Mr. George Villiotes, posing as Gyorgi I. Velikovsky, spoke as a Russian explaining his ideas on communism. Mr. Villiotes dramatically showed the effect of Russian beliefs on the American youth.

A new idea went into effect this year at Redwood. The club presidents spoke on their clubs and what the year's events were to be in each organization.

The Music Department performed their annual Christmas assembly presenting carols and recent songs. Later in the year they sponsored a special assembly for musically inclined students. They listened to the Fullerton State College Choir.

Senior accomplishments and those students who were outstanding in various fields were recognized at an annual year-end assembly. Pep assemblies for the first time were held in the new gym. The Rally Club planned them under the direction of Sharon Mirizzi along with the yell and song leaders.

FFA Week ends with barn dance

The Redwood Future Farmers of America sponsored the annual FFA Week from March 15-19. On scheduled days several contests were held.

The greased pig contest was held on Tuesday of FFA Week. Placing first were Kathy Cotta and Laura Rawlins. Wednesday brought the hay loading and pie eating contests. Winners of the hay loading were Chuck Spray and Carl Smith. The team taking top honors in the pie eating contest was Billy Clark and Randy Barton. Thursday, boy-girl teams competed for the title of goat roping champions. John Andrada and Cathy Jenkins were named the champions.

Friday highlighted the FFA Week celebration with the pie baking contest and the FFA assembly. At the assembly in the courtyard, the winners of all contests including the best dressed boys and girls were announced. The pie baking contest was won by Kris Balantyne with her Ritz Cracker pie. Randy Barton, Billy Clark, and Russ Mittle were the best dressed westerners for the boys along with Nancy Conyers, Robin Ross, and Brenda Alves for the girls.

The contestants in the pie eating contest hurriedly enjoy the pie of their choice.

FFA Week slid off to a good start with the girls' annual greased pig contest.

Madruga crowned 1971 FFA Queen

Along with the many contests and other events during FFA Week the sweetheart candidates were announced. The Redwood FFA Chapter chose the candidates which would represent the four classes. Gerri Madruga was chosen as the Senior class candidate, Carolyn Walker was chosen for the Juniors, Janell Ennes for the Sophomores, and Amy McRae for the Freshmen.

The girls collected their votes by receiving general contributions and selling cookies. Each penny collected represented one vote. The FFA spirit was high as the day neared when the votes would finally be counted.

With Friday came the tally of the votes and the annual Future Farmers of America dance featuring the *Porterville Band*. The highlight of the evening dance was the announcement of the 1971 FFA Sweetheart, Gerri Madruga, of the Senior Class.

Some girls who participated in Western dress competition were Glenda Crane, Lynn Bettencourt, Lorena Oliveira, and Brenda Alves.

FFA queen candidates were Gerri Madruga, Carolyn Walker, Janell Ennes, and Amy McRae.

Annie presented in early February

Redwood presented, as its all-school show this year, Irving Berlin's musical *Annie Get Your Gun*. The presentation ran for three nights, February 4, 5, and 6, and commanded a standing ovation each night. Carolyn Walker portrayed vivacious Annie and Joe Heslet played lady killing Frank Butler.

The musical was produced and directed by Glen Foster, Redwood's drama instructor. Lonnie Manning handled the vocal arrangements, and Walter Engstrom directed the orchestra. The dances were choreographed by Dorinda Judd, a private dance teacher. The Art Department provided the scenery, and the Homemaking Department helped with costumes. Redwood's Stage Crew Club handled the scenery changes. It's easy to see why *Annie Get Your Gun* was an "all school show"—students and teachers from all corners of the campus worked together to make the play a success.

Of *Annie Get Your Gun* director Glen Foster said, "It was the best high school production that has ever been seen. I have not heard one comment, that has not been good. It was an all-around pleasing experience."

Terese Jarvis, as Dolly Tate, opens the show with a song.

Steve Rodriguez, as Chief Sitting Bull, watches the ceremony of the adoption of Annie, as his daughter.

Redwood students win State honors

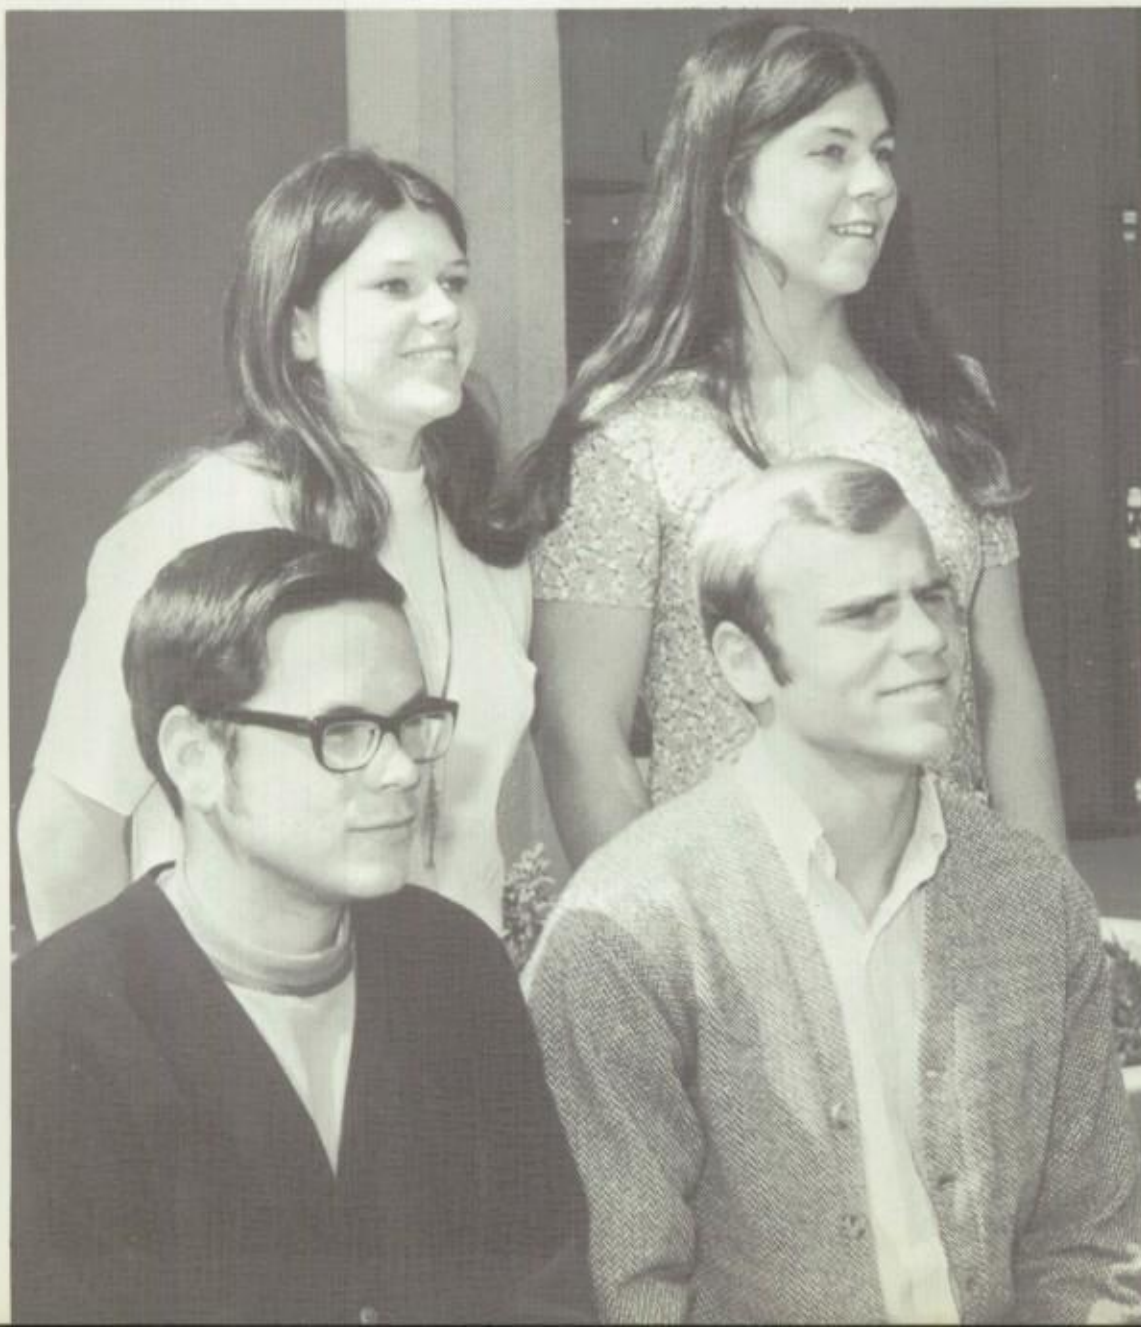

Throughout the school year many individuals compete scholastically and athletically for state and local honors. The honors won by Redwood students this year ranged from local speech contest winners to state recognition for achievement in football.

For the first time in Redwood football history, a Redwood player won a position on the state high school Shrine Game team. Steve Lard, the Ranger's all-league and valley guard, won the honor of participating in the game played in the Los Angeles Coliseum.

Scholastic honors included the Bank of America awards given to the outstanding students in various fields of education. Elaine Hatai, a member of the band, was awarded the opportunity to play in the State Honor Band. Each year two Juniors represent Redwood at the Girls' and Boys' State camp in Sacramento. Cheryl Boswell and Bob Berry participated in this year's program directed at student understanding of state government. The local speech contest was won by Susan Webster who later participated in the state competition.

Student Council aids Steering Committee

This year's student council was made up of representatives from Civics, Communications I, Communications II, and English classes. Representatives discussed the problems and demands of the students. Representatives were required to go to the meetings and give reports to their respective classes. Their goal was to represent the whole student body and not just a select few.

Composed of student body officers, head song and yell leaders, and Rally Club president, the Steering Committee took on the responsibility of managing funds and planning school activities. The committee also sponsored the Tom Dooley Rally. The members conducted this rally to collect money for supplies to equip the Tom Dooley medicine ship. Schools from all over the nation contributed to the cause.

Chambers Singers perform for local service clubs

The Ranger Choir broke an old tradition and started a new one by doing away with the standard appearance of the choir and changing to formals for the girls and tuxedos for the boys. For finances, Mr. Manning went to the student council to get a loan for the men's tuxedos which were purchased at "Links." The choir sold candy in order to raise money to buy the materials for the girls to make their own formals.

During the Christmas Season, the choir gave fifteen concerts for service clubs, churches, and area schools. Also, the second annual "Messiah" was given jointly with Mt. Whitney.

In February, the choir participated in the all-school show *Annie Get Your Gun*. This is the third consecutive year the choir has assisted in producing a major Broadway musical.

Another activity of the choir was a new production at Easter, *The Seven Last Words of Christ*. The choir also participated in the annual music festival in March and a pop concert at C.O.S.

During a half-time show Majorettes display their skill by twirling fire batons.

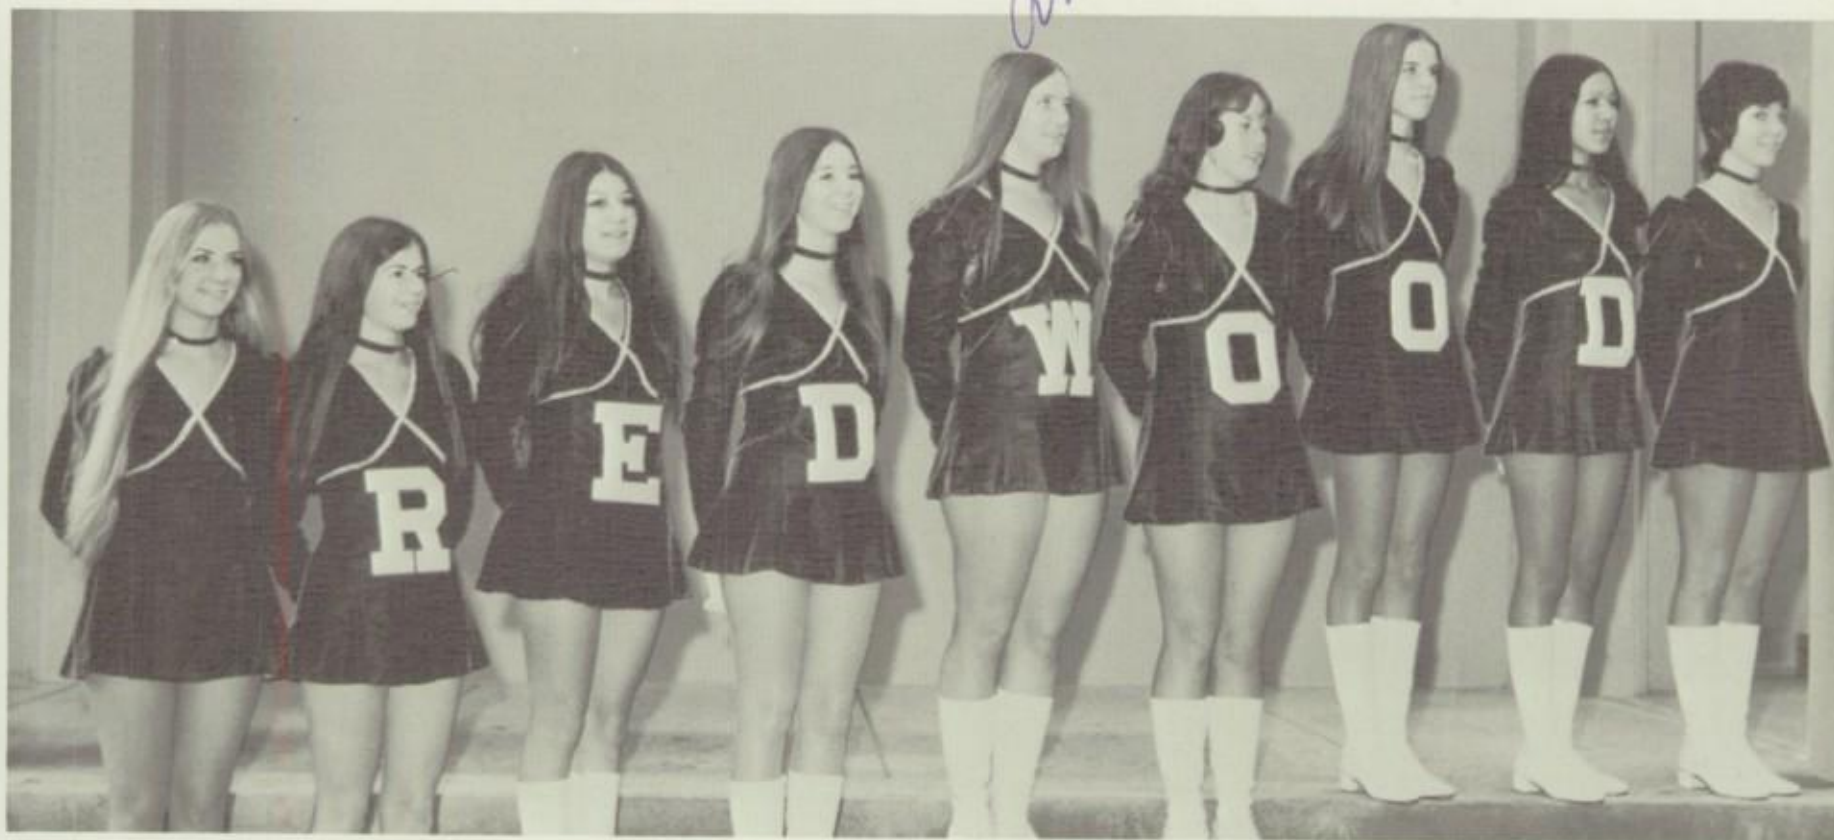

Flag girls perform with Ranger Band for first time

The majorettes marched with the band, but in competition parades were judged as a separate unit. After losing Diane Baker and Vickie Gordon, Redwood by the end of parade season had only three majorettes. Diana Asmon served as head.

The girls performed during football half-time shows. A first for Redwood majorettes was the twirling of fire batons during the Homecoming half-time. Professional twirler LuElla Sharf helped this year's Majorettes and Letterettes with routines and marching.

This year Redwood had nine Letterettes, a switch from the usual eight. Instead of an exclamation point after Redwood, there were blanks before and after the letters. Ann Seymour served as head letterette. The girls were active during the parade season, marching in several competition parades. They performed during the half-time shows at home football games. This year Redwood and Mt. Whitney letterettes performed together for the Cowhide Game half-time.

Studio Band plays in annual COS Jazz Festival

Redwood's bands and orchestra have this year tried to improve their quality by more hard work and planning. Mr. Engstrom, Redwood's band and orchestra leader, opened a band class for freshmen only. This band played the same type of music as did the advanced band, but each student was given more individual attention. The Pep Band has become a student-run organization headed by Jerry Biane and membered by boys only. The members practiced whenever they could and during performances they wore uniforms they selected. Studio Band met during noon hours. They were invited to play for banquets and played in the annual COS Jazz Festival. They also planned a spring concert held at Redwood along with the orchestra. The orchestra attended the Central California Music Educators contest in Porterville and performed for "Annie Get Your Gun."

Band takes Selma first for third straight year

The Ranger Band captured honors in state and local parades during marching season. In Selma, the band took a first place for the third straight year and at the Merced parade the band took fourth place. Bands were judged on marching style, appearance, and overall musical performance. The Ranger Band represented Visalia in a mass band of 2,000 musicians in Porterville, participating in a parade and half-time concert.

During football season, the half-time shows were planned by the band, showing skills in group formations. Several band members played in the Studio and Pep Bands. These bands performed for community groups as well as providing music for pep assemblies. The band played at the Central California Music Festival in Porterville, and put on a spring concert. Ending the year, the Ranger Band played during graduation exercises.

Redland's camp trains Pep Squad

This year's Pep Squad tried hard to arouse the school spirit potential at Redwood. Taking advantage of the new gym facilities during football season, they used the new wrestling room to practice after school. They continued to practice hard during the rest of the athletic seasons to efficiently support our teams.

Part of their plan for becoming an effective Pep Squad was for the Songleaders to attend a special four day camp at Redlands, and at a COS Clinic they picked up some extra tips. With the Yell-leaders helping the Songleaders, they re-painted Spirit Lane and the bridge at the entrance to the Mineral King Bowl. During assemblies, the Pep Squad put on skits and conducted the class competitions. Their uniforms, both winter and spring ones, sported the traditional school colors blue and white.

Cathy Franklin and Carolyn Walker practice one of the many stunts learned from their summer training.

Songleaders do one of their quick stepping routines, during a lull in the football game.

Publications take honors at Fresno conference

The 1971 Log Staff was faced with many difficulties in copy, pictures, and layouts, but was able to accomplish the completion of the yearbook under the supervision of co-editors Margaret Reilly and Mary Morgan. This year's annual offers twelve color pictures over that of last year's five.

The last deadline the staff faced was in April, after which they attended a yearbook conference in Fresno. Though a relatively young staff this year, many will return next year, experienced after their hard work on the Log.

Redwood's semi-monthly newspaper, the Gigantea, suffered many set-backs during the year. The major problem which they faced was the new varityper purchased by the school. Several adjustments had to be made in order to correct the malfunction. Nevertheless, the staff was able to meet the deadlines and produce an interesting paper, even though the page editors were pressured by time to type the stories turned into their sections. This year, the Gigantea class was combined with the journalism class.

A typical scene in Gigantea, a disagreement between editor Nancy Ellis and David Bacigalupo.

French Club plans overnight trip to Solvang

"Solvang or Bust" was the slogan of this year's French Club. During the year the club members participated in basketball concessions, donut and cookie sales in order to raise enough money for a trip to Solvang. The trip to Solvang, a small Danish town on the coast of Southern California was made in February and lasted overnight.

In December the club helped host a party for Redwood's exchange student, Zufan Lemma. Other students attending Redwood from different countries were also recognized. Other activities consisted of a bowling party and a trip to Bakersfield to eat in a French restaurant. Along with other language clubs on campus, the French Club participated in International Week.

Interact opens membership to interested co-eds

The main function of the Stage Crew Club is to provide trained personnel for use during stage productions. The members are trained to run spotlights, dimmers, move scenery, flats, backdrops, props, and provide sound effects. The club handles all lighting for the school district, and for some community organizations. For example, the crew handled lighting for the 1970 Visalia Junior Miss Contest. One of the most important productions which the club handles is the annual all-school show.

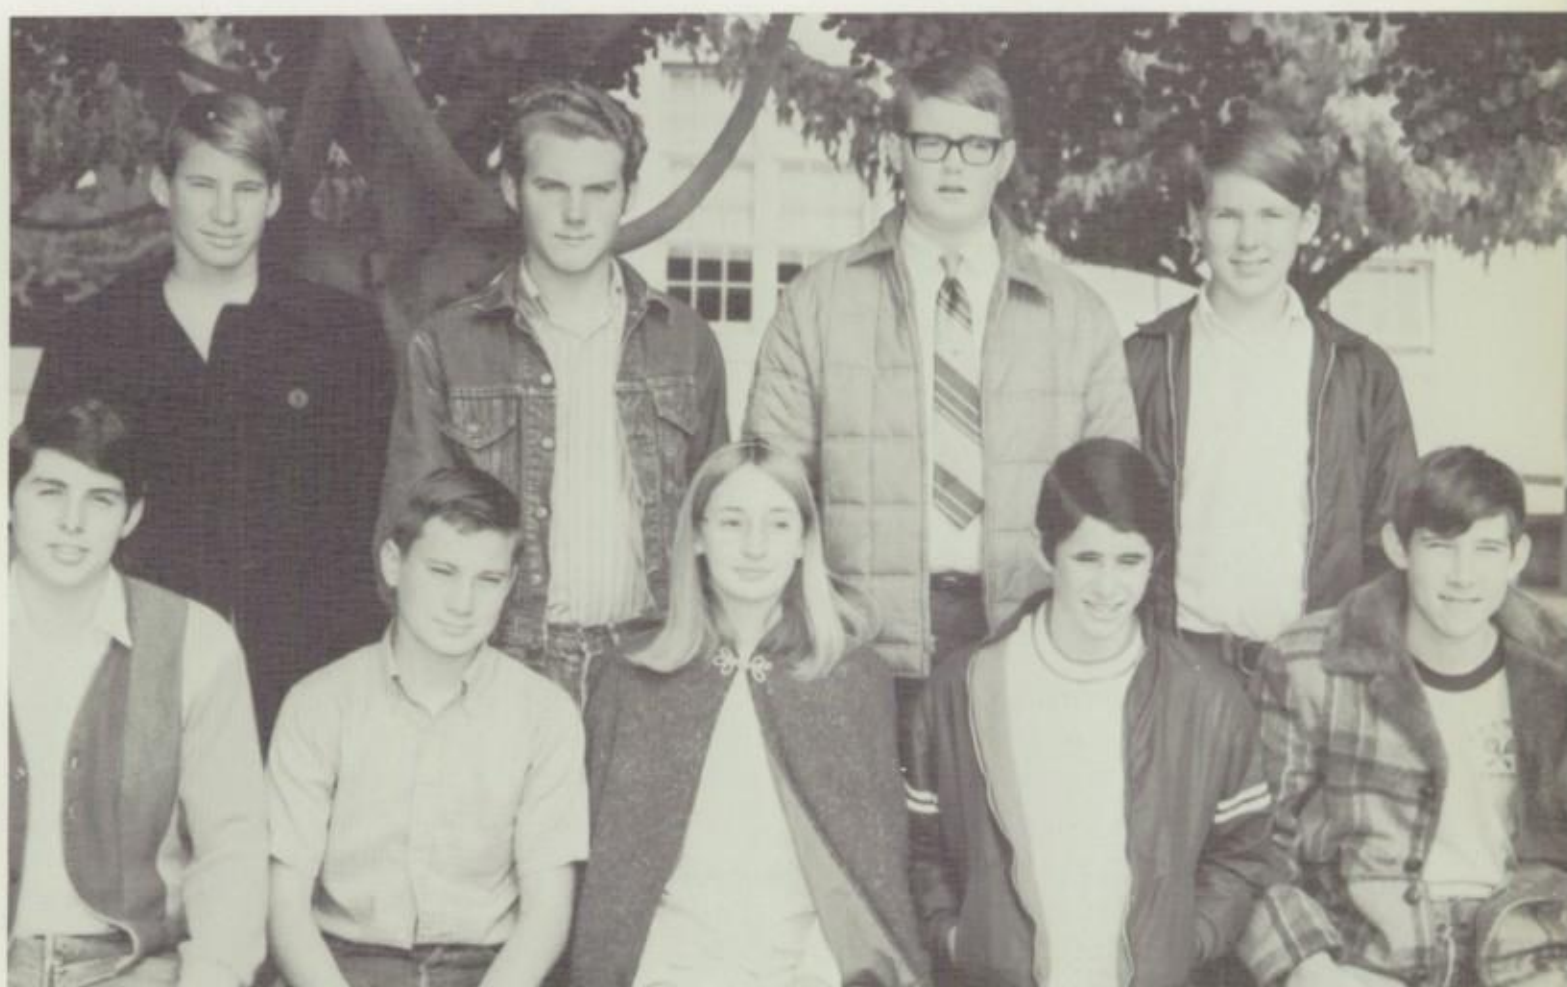

Interact Club for the first time since its creation, allowed girls to become members. The club is an extension of the community Rotary Club. During the fall, the club sent two members to a Rotary Convention in San Luis Obispo. Other club activities included painting Redwood's trash cans, and hosting the district convention with Whitney in the spring.

The Art Club is open to all students interested in art. Members toured different art shows, listened to guest speakers, and viewed art films. The club presented its annual scholarship to an outstanding art student.

The California Scholarship Federation is designed to honor outstanding students and to promote high scholastic standards in high school. The annual Redwood-Mt. Whitney C.S.F. Exchange Day was sponsored this year by Redwood. The highlight of the day was the Quiz Bowl Game, featuring the students from each school with the highest scholastic records.

Each year members of C.S.F. attend, along with Hanford and Mt. Whitney members, the C.S.F. picnic held at Mooney's Grove. The main money making project included concessions, doughnut sales and the making of a student telephone directory.

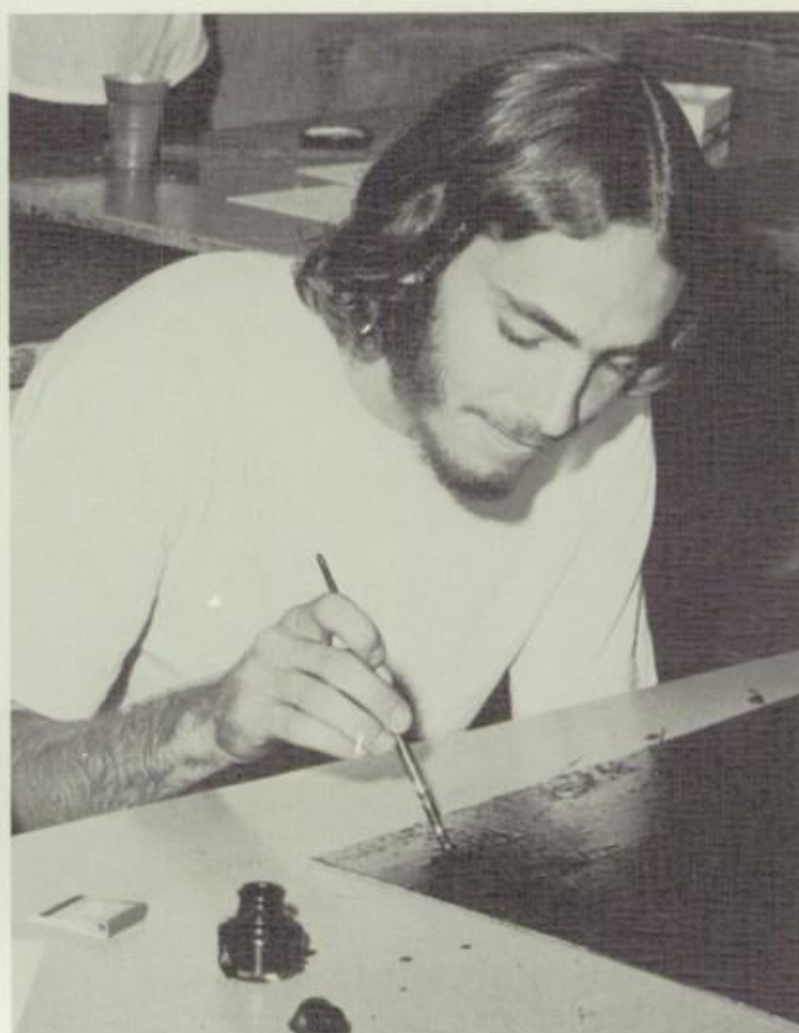

Each year the Future Teachers of America works hard to increase their funds so that they are able to give a \$50 scholarship at the end of the year to a Senior. This is accomplished through many cookie and doughnut sales. Members also participated in the state conference held in Fresno.

Archery and co-ed bowling added to GAA activities

GAA this year rounded up teams in volleyball, and played against teams in Porterville, Lindsay, and Exeter. The girls were coached by Miss Sinnott of the P.E. department. In the spring the members romped at an all-day Basketball play day in Porterville and a Track play day in Lindsay.

The club branched out into the areas of bowling and archery this year. The bowling program was held during the winter months and included any interested boys. The co-eds travel to downtown alleys to practice, as well as practicing after school in the gym. The program ended in February. Members interested in archery were able to practice and compete throughout the year under Mrs. Mitchell's direction.

The 1971 Rally Club

Rally Club paints Mill Creek bridge

The main function of the Rally Club is to build and promote school spirit. Under the leadership of president Sharon Mirizzi and advisors, Mr. Manning and Mr. Thompson, the members were successful in raising student interest in sports activities.

Along with the continual chore of painting signs for all home and most away games, the club was responsible for such events as homecoming week, assemblies, and rallies. The activities during this year's homecoming week proved to be quite different from past years. Along with the usual tug-of-war, the activities included an apple-eating contest, and a tricycle race. Competition between the classes during this week of activities was won by the Seniors.

The club raised money throughout the year by selling an assortment of bells, ribbons, and spirit buttons. Part of these funds bought paint for the repainting of Spirit Lane and the bridge over Mill Creek.

AFS brings Ethiopian student

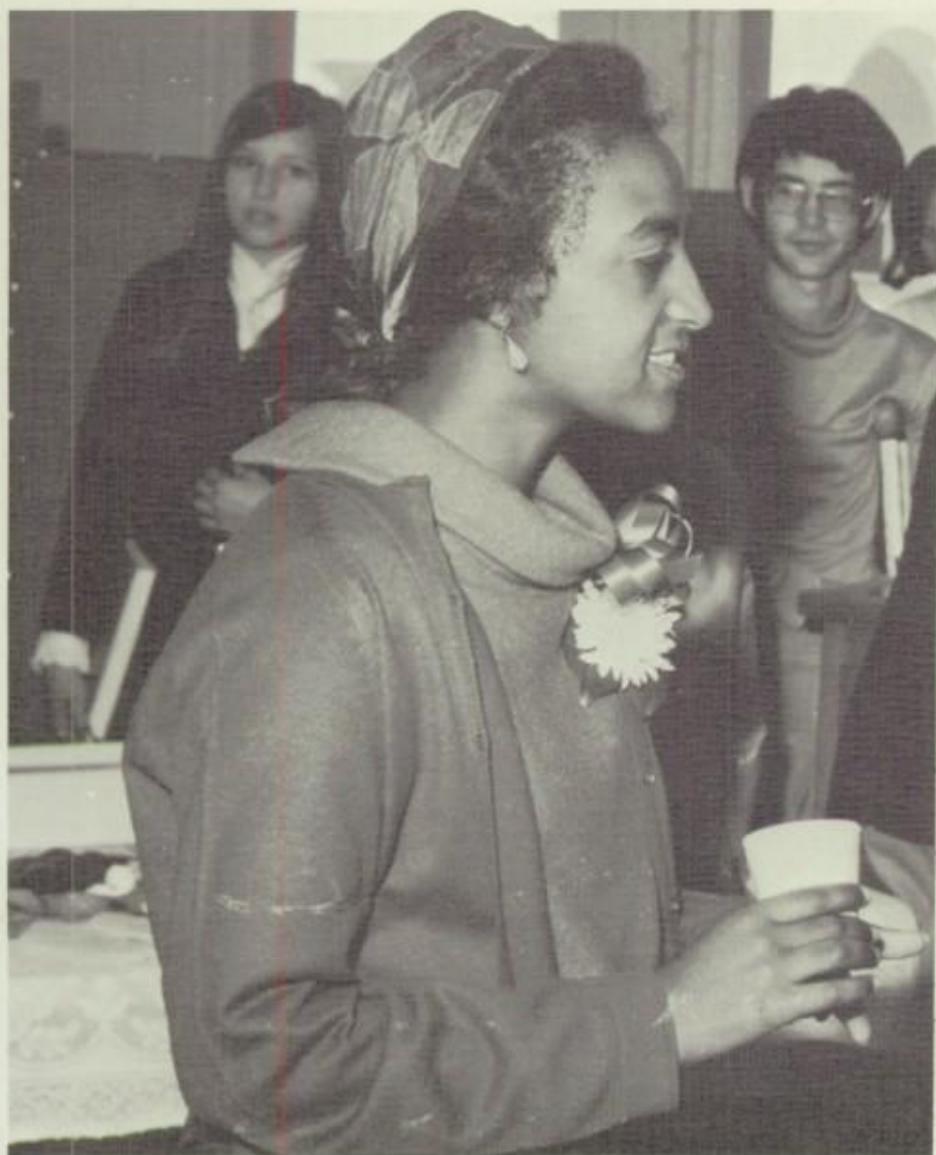

The American Field Service is part of a worldwide organization whose purpose is to promote understanding and sponsor student exchanges.

This year the club welcomed to Redwood Zufanesh Lemma, an exchange student from Ethiopia. Zufanesh's American family during the year was Mr. and Mrs. Frank Cutler and their daughter Celine. Zufan participated in the club and school activities and learned about the United States through the Redwood student body.

To promote interest in the AFS program of exchanges, club members presented several speakers and films on different countries to which a student could be sent. Members also participated in a Saturday afternoon bike ride and a picnic with the Woodlake chapter of AFS. The money which the club raised during the year was used to sponsor Redwood students abroad and assume some costs in bringing foreign students to Redwood.

Rachel Mendoza, Spanish club president and speaker Javier Alabart discuss the talk he presented to the club members.

Zufanesh enjoys meeting new friends at a tea given in her honor.

Spanish Club helps organize International Week

The Spanish Club is the club which organized this year's International Week held in the spring. The week was dedicated to the many different nationalities on Redwood's campus. Each nationality was given one day on which they sold food and other items typical of their culture. The week ended with an assembly involving all of the participants of the week's activities.

Along with the usual doughnut and cookie sales, the club members participated in the annual Cinco de Mayo celebration. Mexican and Spanish food was sold at the break and lunch, and a special assembly was held. Mrs. Ortiz, language department head, advised the club and was assisted in planning activities.

German Club hosts AFS tea

King's Teens worked this year for a closer feeling of friendship between students, regardless of beliefs. The club presented Quiet Hour on the mornings of December 14-18. King's Teens planned a spring banquet for Christian youth, inviting students from both Whitney and Redwood. A scholarship was presented to a Senior at the end of the year.

The German Club, advised by Mr. Hayes, had as its officers, Jeff Steiner, president; Clyde Wilson, vice-president; Julie Laughlin, secretary; and Barbara Kimble, treasurer. The club was involved in the AFS foreign language reception held for Redwood's foreign exchange students. Members of the club brought German food to place with the French and Spanish Club additions.

FBLA sponsors Christmas tea

FBLA, Future Business Leaders of America, was an active club this year. Members sold popcorn balls, manned a basketball concession, and held a spring dance for Redwood students as their fund raising events. With the money raised they gave away a fifty dollar scholarship. The club hosted a Christmas tea party for the Mt. Whitney FBLA chapter, and sent several members on a two-day trip to the state leadership conference in Fresno. Members earned points for being active in the club—attending meetings regularly, helping in fund raising events, and planning activities. Those with the most points at the year's end received a gift. The members were under the direction of advisor, Mrs. Root and club president, Diana Sanchez.

FFA honored at stock shows

Future Farmers of America, made up of Redwood's Agriculture students, took first in the club float competition during Homecoming this fall. Members participated in a variety of club activities as well as sponsoring the annual FFA week. At Christmas time the club held a party in the new gym. Other activities included the National FFA week in February followed by a March livestock show at Whitney.

The Club's major activity was the planning of Western Week during March. This week brought the crowning of the FFA Sweetheart at the annual Barn Dance. Preceding this dance were such activities as the greased pig, cow milking, goose ringing, and pie eating contests.

The Writer's Club yearly publishes *Conception*, a book of student prose, poetry, and art. All copy is gladly received by its members, as the magazine includes works done by the students. After reading all material submitted, the members selected the copy they felt suitable for publication. The magazine is sold at the end of the year to anyone wishing to buy one.

Racquet Club holds Wimbledon tourney

This year's Racquet Club sponsored a Student-Faculty Tennis Tournament on October 24th. Mr. Lonnie Manning, director of the Ranger Choir and Kurt Nielsen, a member of the Redwood tennis team, took first place in the tourney. To support their club, members purchased tennis T-shirts. Other money-making projects included cookie sales, bottle drives, and the sale of Redwood Ranger sweatshirts.

The 1970-71 Key Club is a service club sponsored by the Visalia Kiwanis Club. Periodically, members conducted the Kiwanis weekly luncheon meetings. Members planned a program and reported on their activities. In its role as a service club, Key Club members painted the school's marquee and presented the school with a clock for the new library.

Under the guidance of Mr. Foster members of the Speech Club participated in local and state speech contests, bringing several awards to individuals in the club.

Block R honors players at All Sports Banquet

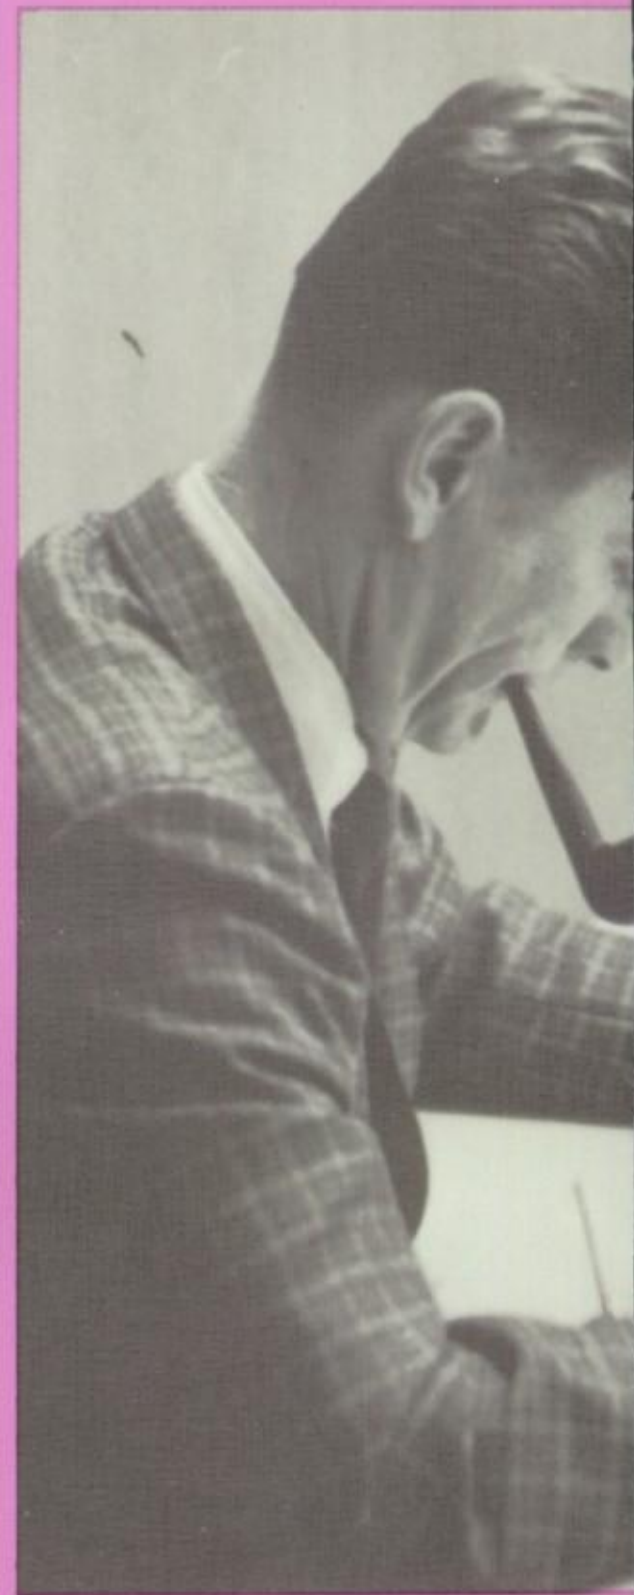

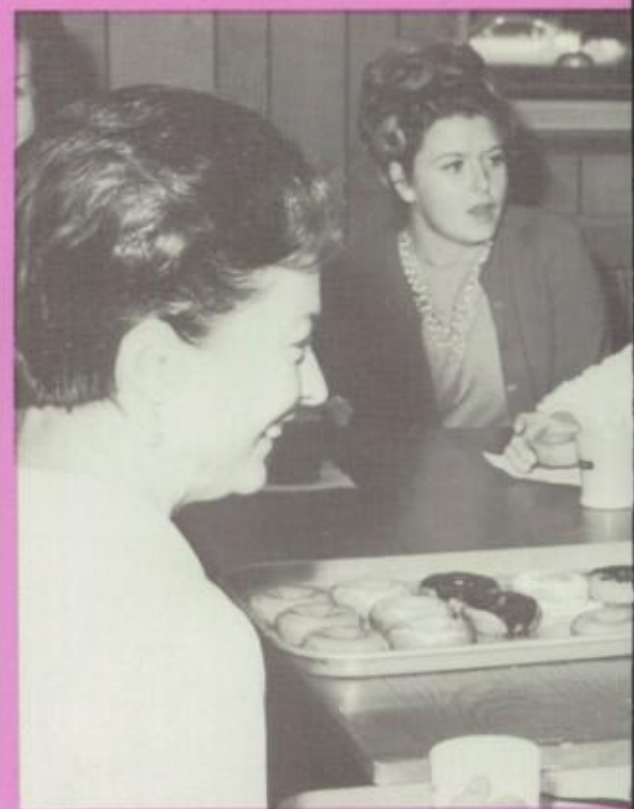

Each year the Block R sponsors the All Sports Banquet and honors the most valuable players of each sport with a trophy. The players are chosen by their fellow teammates. Other Block R activities include the hosting of the Faculty v. Seniors basketball game and the annual pack trip in the spring. The club raised money throughout the year by working in track and wrestling tournament concessions and selling programs at all home football games. Redwood cushions were sold to the student body as well as T-shirts. The funds from these activities were used to purchase trophies for the varsity championship teams.

The members of Mr. Foster's drama class form the campus Drama Club. The club is active in off-campus as well as on-campus activities. The members planned several skits which they presented to the local elementary schools. The all-school show was one of the most important activities of the Drama Club.

Mr. Grady takes over as new Vice-Principal

For the past three years the administration staff has had to work in the temporary surroundings of the cafeteria. This year the administration enjoys the improved modern conditions of the new administration building.

The staff spent the early part of August moving into the building and the dedication was held in late September. Along with these changes in environment there were also many changes in staff positions. The major difference this year was the addition of Mr. Don Grady to the administration. Mr. Grady served as the assistant principal. The duties of his office found many new responsibilities for him. Supervising Student Body activities included checking all assemblies and seating assignments. He also assigns the use of the gym, the bowl, and the pool. Counseling with students is another important responsibility of Mr. Grady. He coordinates discipline and attendance each day along with assisting the Principal.

Counselors assist Seniors with college requirements

The counseling staff of Redwood High School is made up of several different trained counselors. These people, from their years of experience and guidance, help the students not only in school program changes, but in any problem that the students themselves may be experiencing. Many of the counselors also gave Seniors guidance in the requirements for different colleges.

Jean Engeberg serves as the school nurse. Her professional abilities have become a necessity at Redwood High School. She is kept busy by the constant need of student health care and conducts first aid programs.

English classes offered as elective courses

Redwood High School's 1970-71 school year has seen many changes in its educational program, one of those changes being the reconstruction of the English Department, under the direction of Mrs. Barbara Wauchope. This year the old tradition of a straight one-year English class was replaced by electives for 11th and 12th graders, and courses called Communications I and II for 9th and 10th graders. So far the new method of teaching English at Redwood has proven to be worthwhile to both the teacher and the student.

P.E. classes use new weight room

The coaches and instructors of the P.E. department spent the last months of the summer moving into the long awaited new gym. The modern surroundings offered the instructors better facilities with which to conduct their classes. In addition to the locker room complexes, the gym included a tumbling room, weight room and gymnasium. The gymnasium had a seating capacity of over 1,450 and was used by all the classes during the winter months. The weight machine in the weight room was purchased by the student body and used by the athletic teams. The tumbling room became an all purpose room. Song and yell leaders held practices there. Wrestlers worked out in it, and dancers in the all school show used it to learn routines.

Typing, shorthand, bookkeeping, and filing are some of the courses offered to Redwood's students interested in the business world. Aside from the instruction of these courses, the teachers worked to prepare their students for future jobs and job interviews. Some of the students worked in the school office for practical experience and training.

Redwood's Foreign Language Department offers classes in four different languages. Those languages are French, Spanish, German, and Latin. Again this year the department helped to co-ordinate the successful "International Week", in which each nationality had one specified day to celebrate and explain its heritage. Several teachers conducted field trips to areas of California which represent their languages.

Televisions aid Science Department in lab exercises

This year's math classes were the largest in years. Due to about one-hundred more students than expected, there was a shortage in books. All the necessary equipment was reordered by Mr. Bradley who serves as the head of this department.

Some of Redwood's math teachers attended a summer school for teachers. The classes kept the teachers up to date in the instruction of the fundamentals of modern math as well as the basics of vocational math.

Instructors in the Science Department were aided this year through the use of the new closed circuit television, enabling them to tape and film certain lab experiments to show to their students. This method allowed the student not only to read and hear about a certain exercise but to also see it performed.

Industrial Arts aid in job training

The Industrial Arts Department, under the direction of Mr. Dave Grove, includes courses in electronics, metal work, auto mechanics, carpentry, and mechanical drawing. This type of program is primarily vocational training, or training for everyday living. Many students work the entire year on a single project. Such is the case in Mr. Rankin's auto shop, where students spend the year rebuilding a combustion engine.

Agriculture students of Redwood, under the instruction of Mr. Tomasevich, department head, are offered a wide and interesting selection of courses in Agriculture I, II, III, and IV. These courses range from general Agriculture classes to Agriculture shop. A recent addition to the Agriculture curriculum is the broad program of Ornamental Horticulture, in which students learn the basics of home landscape and gardening.

California Heritage class broadens cultural awareness

Under the direction of Vern Condon, Redwood's Social Studies Department is continuing a program which was experimented within some of last year's classes. This program consists of group discussions and student panels. The students themselves conduct these discussions. The purpose of this type of a program is to help the teachers to better relate to their students the similarities of historic times to the contemporary times of today.

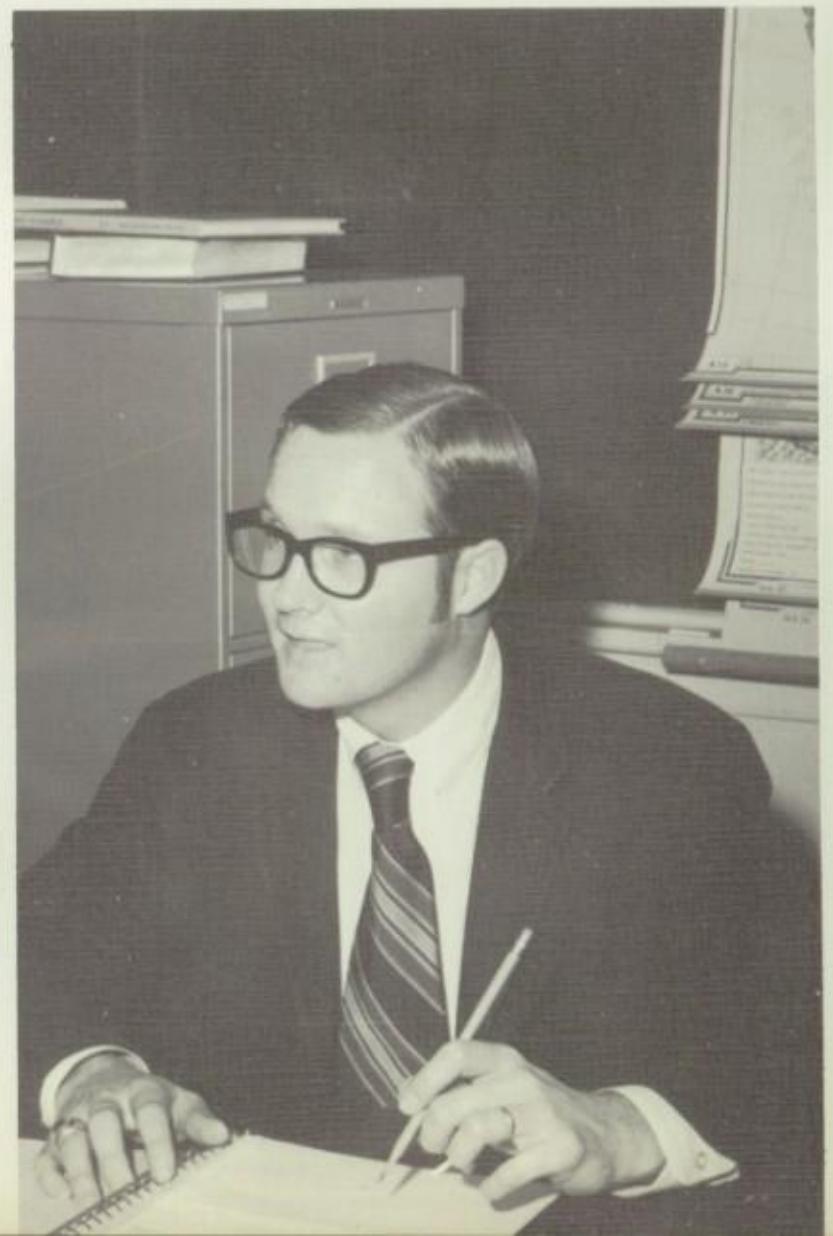

Courses in the Social Studies Department include Driver Education and Guidance, World History, U.S. History, Civics, and California Heritage.

Redwood's Music Department has successfully presented two outstanding performances this year, the first being *The Messiah*, which was performed jointly with Mt. Whitney during Christmas. The second big success performance was *Annie Get Your Gun*. Due to the remodeling of the Montgomery Auditorium, the show was performed in February. This year the choir and Studio Band performed in formals and tuxedos, purchased by the student body.

Teachers' Aides give individual help by tutoring

Our staff of teachers' aides was increased this year from a total of five to eight members to help lighten the teachers' loads. These personnel help by correcting papers as well as giving individual guidance to students and small groups in the classrooms. Each teacher's aide served not one class, but several during the day.

The secretarial staff of Redwood was responsible for all incoming business having to do with its department. Secretaries include Eileen Stokes, who works for Mr. Peterson in the main office; Janis Babcock, secretary to all counselors; Betty Kennedy, who helps in the library; Beverly Tucker, in charge of attendance and main offices; Dottie Forcum, secretary to Mr. DeJonge; Jeanne Gorham, who runs the mimeo room; Sandra Christenson, assisting the nurse; and Dorothy Ellis, secretary to Mr. Grady.

Rangers blank Mt. Whitney 19-0; Win Carnival Game

Redwood's Varsity football team had a fine season despite many injuries and some crushing defeats. The injuries began to take their toll early in the season as the unlucky Rangers lost running backs Charlie Garcia and Glenn Williams, and quarterback George Sandoval. However, the Rangers played well without these fine athletes. One of the gridder's finest showings was their 13-7 defeat over highly ranked Reedley. In the next outing they defeated Porterville 34-6. Later in the season they handed a very impressive beating to Delano by a score of 32-27. In the Carnival Game Redwood trounced Mt. Whitney 19-0. However, the weak, but highly spirited Pioneers came back with a 26-8 win to once again take the Cowhide.

Numerous Rangers received honors in league voting. Senior Steve Lard was named to the All-League and All-Valley teams. Lard was also nominated to play in the North-South Shrine game. Juniors Stan Bennett and Jim Garcia and Senior Randy Ford were also All-CYL picks.

B team ties for first place in CYL

The JV football team was a relatively young one this year. The twenty-seven member squad included eight freshmen. The JV's started the season with a 6-0 win over Mt. Whitney. In the two following games they took crushing defeats from Hoover and Reedley. However, they came back with an impressive 46-7 conquest of Immanuel, and handed Delano a 42-30 defeat. The Rebels ended with a 2-4 record for league play and a 4-6 season record.

The B's dropped their first game to Mt. Whitney 0-6. After the Carnival Game, the Raiders did not see defeat again. A 34-0 conquest of Selma, and a 22-0 win over Clovis were two of their biggest victories. The Raiders secret to their successful season was their strong defense. The Raider defense held its opponents to an average of three points per game in ten games. A 6-6 tie with Porterville and a 14-14 tie with Delano kept the B's from sweeping through league. The Raiders ended league with a 4-0-2 record and a season record of 7-1-2.

The C team came on with a strong offense which scored an average of three touchdowns a game. The Splinters went undefeated until Delano slipped by them 6-8. The C team ended the season with a 4-2 record league play.

Frosh-Soph team ends league with 4-6 record

Coach Frank Bell's 1970 Varsity water polo team, having only two out of seven starters from the previous year returning, had a great season with a 9-3 win-loss record. They started the season with an 11-2 victory over Sanger; then after a 4-8 defeat to Hanford, the Rangers came back with victories over Clovis, 13-4; Delano, 5-2; Monache, 16-3; and Porterville 8-3. The closest game of the season was of course the game against Mt. Whitney. The Rangers stomped Whitney 6-4 with a great effort on the part of every team member. This victory assured the varsity of a tie for second place in league standings.

The Frosh-Soph team, comprised mainly of freshmen, recorded six wins to complete their season record. They downed Sanger, 6-5; Hanford, 13-6; Clovis, 9-6; and Delano 8-6. Pacing the frosh-soph to their victories were sophomore, Steve Blankenship and freshman James Lopez.

Frosh-Soph ends league undefeated

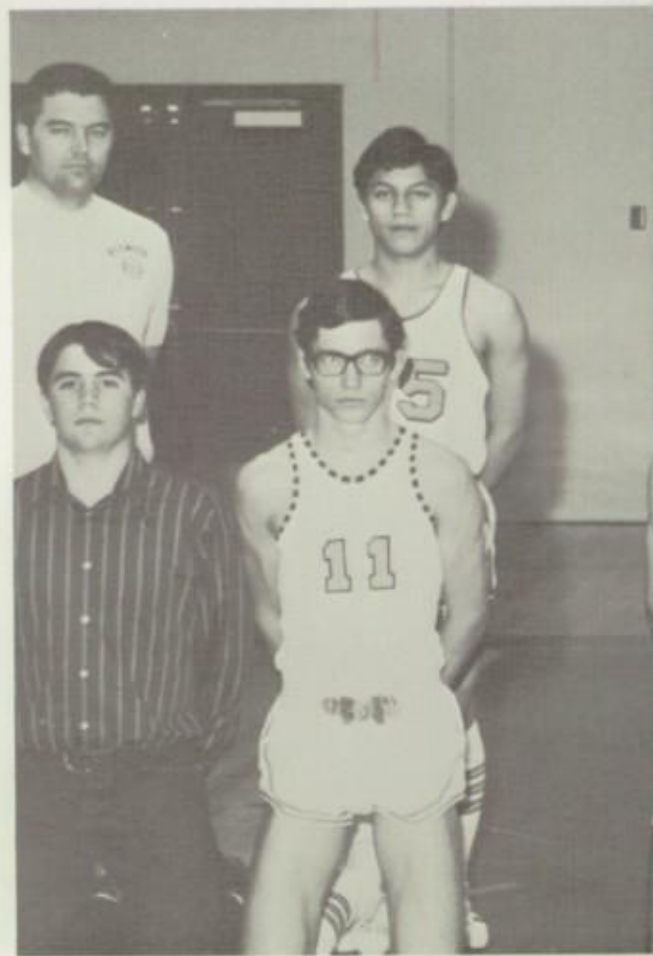

Redwood's Cross Country teams dominated the Central Yosemite League as the Varsity, Frosh-Soph, JV and Frosh all took first place. The Varsity, having another fine year, once again upheld their longstanding tradition of being the best in the league. The Ranger harriers had a 5-1 record for dual meets, losing only to a fine Monache squad. However they came back to defeat Monache and take first place in the League Championship Meet. Al Nava, Ernie Moreno, John Gonzales, Steve Thurlow, and Jon Cray sparked the harriers to their victories.

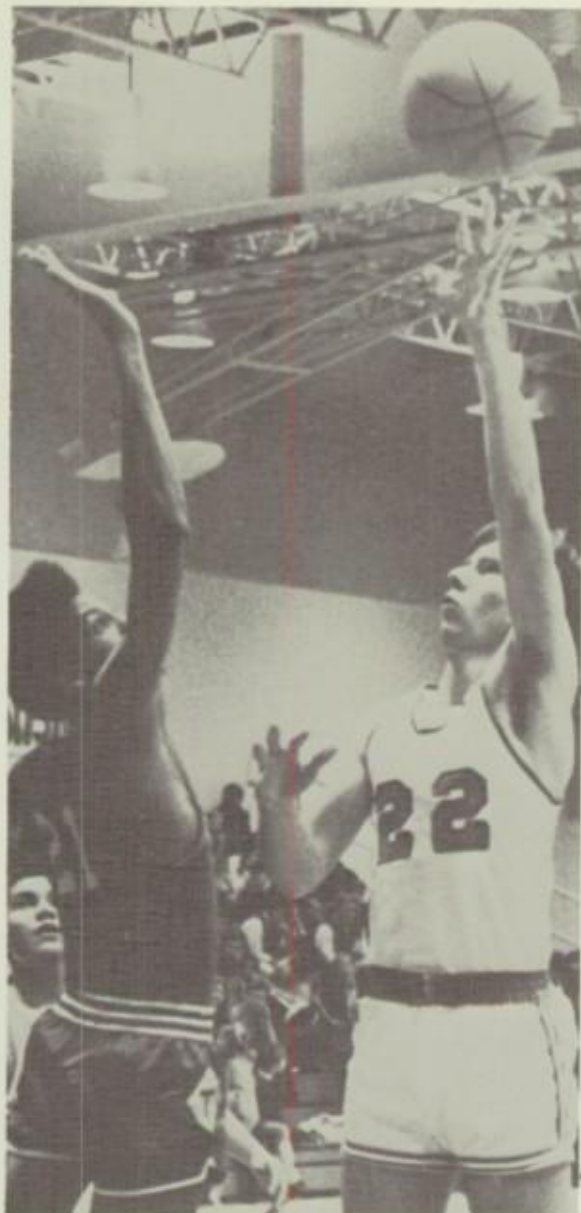

The Frosh-Soph and JV teams both had fine seasons. They also had identical records. The Frosh-Soph and JV's both recorded six wins in dual meets. Both teams went on to take firsts in their respective leagues at the league meet and seconds in Divisional Championships. The Frosh-Soph went on to establish themselves as fifth best in the Valley at the Valley Championship Meet. Outstanding runners for the Frosh-Soph included Bryan Patterson, Joe Ruiz, and Steve Smith. The Frosh team had only two dual meets and won both of them. The young harriers also took first in the League and Divisional Championship Meets.

Varsity places in area tournaments

The Varsity Basketball team was largely comprised of seniors, although some underclassmen were also active members of the team. Leading the varsity team were seniors Gary Bailey and George Sandoval who have been on the team since their sophomore year. Other standouts were seniors James Gonzales, Tom Hayslett, Ray Trammell, and junior Jeff Steiner. High point men included Gonzales, Bailey, and Hayslett. While Bailey led the rebounding, Steiner ran a close second.

The Rebels fielded one of the youngest teams in the CYL with two freshmen, nine sophomores, and two juniors. The leading scorers were Jerry Torres, Drew Sorensen, and Mike Wessel. The top rebounders were Carl Nagel, Glen Horstman, Mark Franey, and George Freitas. Jerry Torres and Mike Wessel were the leading defensive players. The Rebels placed second in the eight-team Redwood Holiday Tournament and made a strong showing in the CYL.

C team comes from behind to beat Mt. Whitney, 32-28

The tradition in past years has been that the basketball players have not been very tall. The B Team broke this tradition and had one of the tallest teams in the CYL. The leading scorers were Dan Guzman and Bob Weathers. The Raiders' top rebounders were Bob Weathers and Darrell Lakey. The B Team had several good rebounders with good freshmen prospects: Chris Hash, Darrell Lakey, Ismael Flores, and Bruce Foster.

The C Team's most consistent man in both scoring and rebounding was Greg Torres. The highlight of the season for the C Team was a dramatic "come from behind" victory over Mt. Whitney. Behind 21 to 9 in the third quarter, the Splinters outscored Mt. Whitney 23 to 7 in the remainder of the game. Dave Franey tied the game with a free throw in the last minute of play. Another field goal insured victory for the C's. Dave Franey's nineteen points was the best individual effort of the year.

Grapplers sponsor Redwood Tourney

Because of their small size the wrestling team was not a great threat in the CYL. It was one of the smallest teams ever, having only four lettermen returning: Mario Salinas (112), Steve Stevenson (112), Clyde Wilson (133), and Randy Ford (unlimited). The team was comprised mainly of underclassmen and first year wrestlers.

In tournament bouts, many Rangers placed high. Randy Ford placed second in the COS tournament, second in the Redwood tournament, and third in the Fresno State tournament. Mario Salinas placed fourth in the COS tournament, fourth in the Redwood tournament, and sixth in the Fresno State tournament. Other young varsity grapplers showing promise were Claude Adams, Mike Prettyman, Greg Morse, Stan Bennett, and Paul Cruz. JV standouts were Manuel Reynoso, Kelly King, Richard Buckmaster, Steve Jones, Lon Hannah, and Andy Botello.

Girls' team takes first place in Interclass Meet

Redwood's Varsity Swim Team, lacking in depth, had a relatively good year. Several outstanding swimmers lead the Rangers to their victories. Tom Hayslett, Barry Kitterman, and Mike Clifton placed high throughout the league season. The Rangers opened the season with a 61-32 victory over Sanger. Individual performers also placed high in the C.I.F. finals. League finals were held in Visalia, with the Valley finals held in Clovis.

The RHS girls' team had their largest team in years. The team had both quality and depth which proved to be very effective. They opened their season with a 54-31 victory over Sanger and a 46-40 victory over McLane. Redwood's top girl swimmers were Junior Wendy Evans, Senior Mary Morgan, and Junior Teri Hayslett. Several girls placed high in League and Valley finals. The team has even more promise for next year, with all but one swimmer returning.

JV team places high in CYL

For the fifth consecutive year the Varsity Tennis team vied for the CYL title. Early practice matches showed the team's strength. With the win over Tulare Western the team experienced its 44th straight victory in dual matches over the past few years. Due to this record Redwood was expected to be in contention for the valley title, at Bakersfield, and should place high in the Selma tournament held in April.

The team was mainly composed of seniors and was lead by Kurt Nielsen, the number one boy, and Stephanie Sorensen, the girls' number one player. Besides the league and pre-season matches all members of the team competed in area tournaments. The Redwood invitational tourney was held in early March.

The JV team also experienced a good season as they tried for another league championship and undefeated season. Practice began with the first match against Lemoore in which the team scored a 7-0 win.

The season ended with the league and valley finals played in Delano and Bakersfield respectively. The Varsity team was coached by Mr. Sy Inamine and the JV's by Mr. Tony Angeles.

Underclassmen dominate 1971 Golf team

The 1971 varsity golf squad was once again made up of underclassmen. Leading the squad was Ray Reynoso.

Returning varsity veterans were Reynoso, Jim Hurlbutt, and Dick Nash. Up from the 1970 JV squad were Paul Sell and Tim Fox. Completing the team were Kelly Gutierrez, Galen Heatherly, and Richard Wilson.

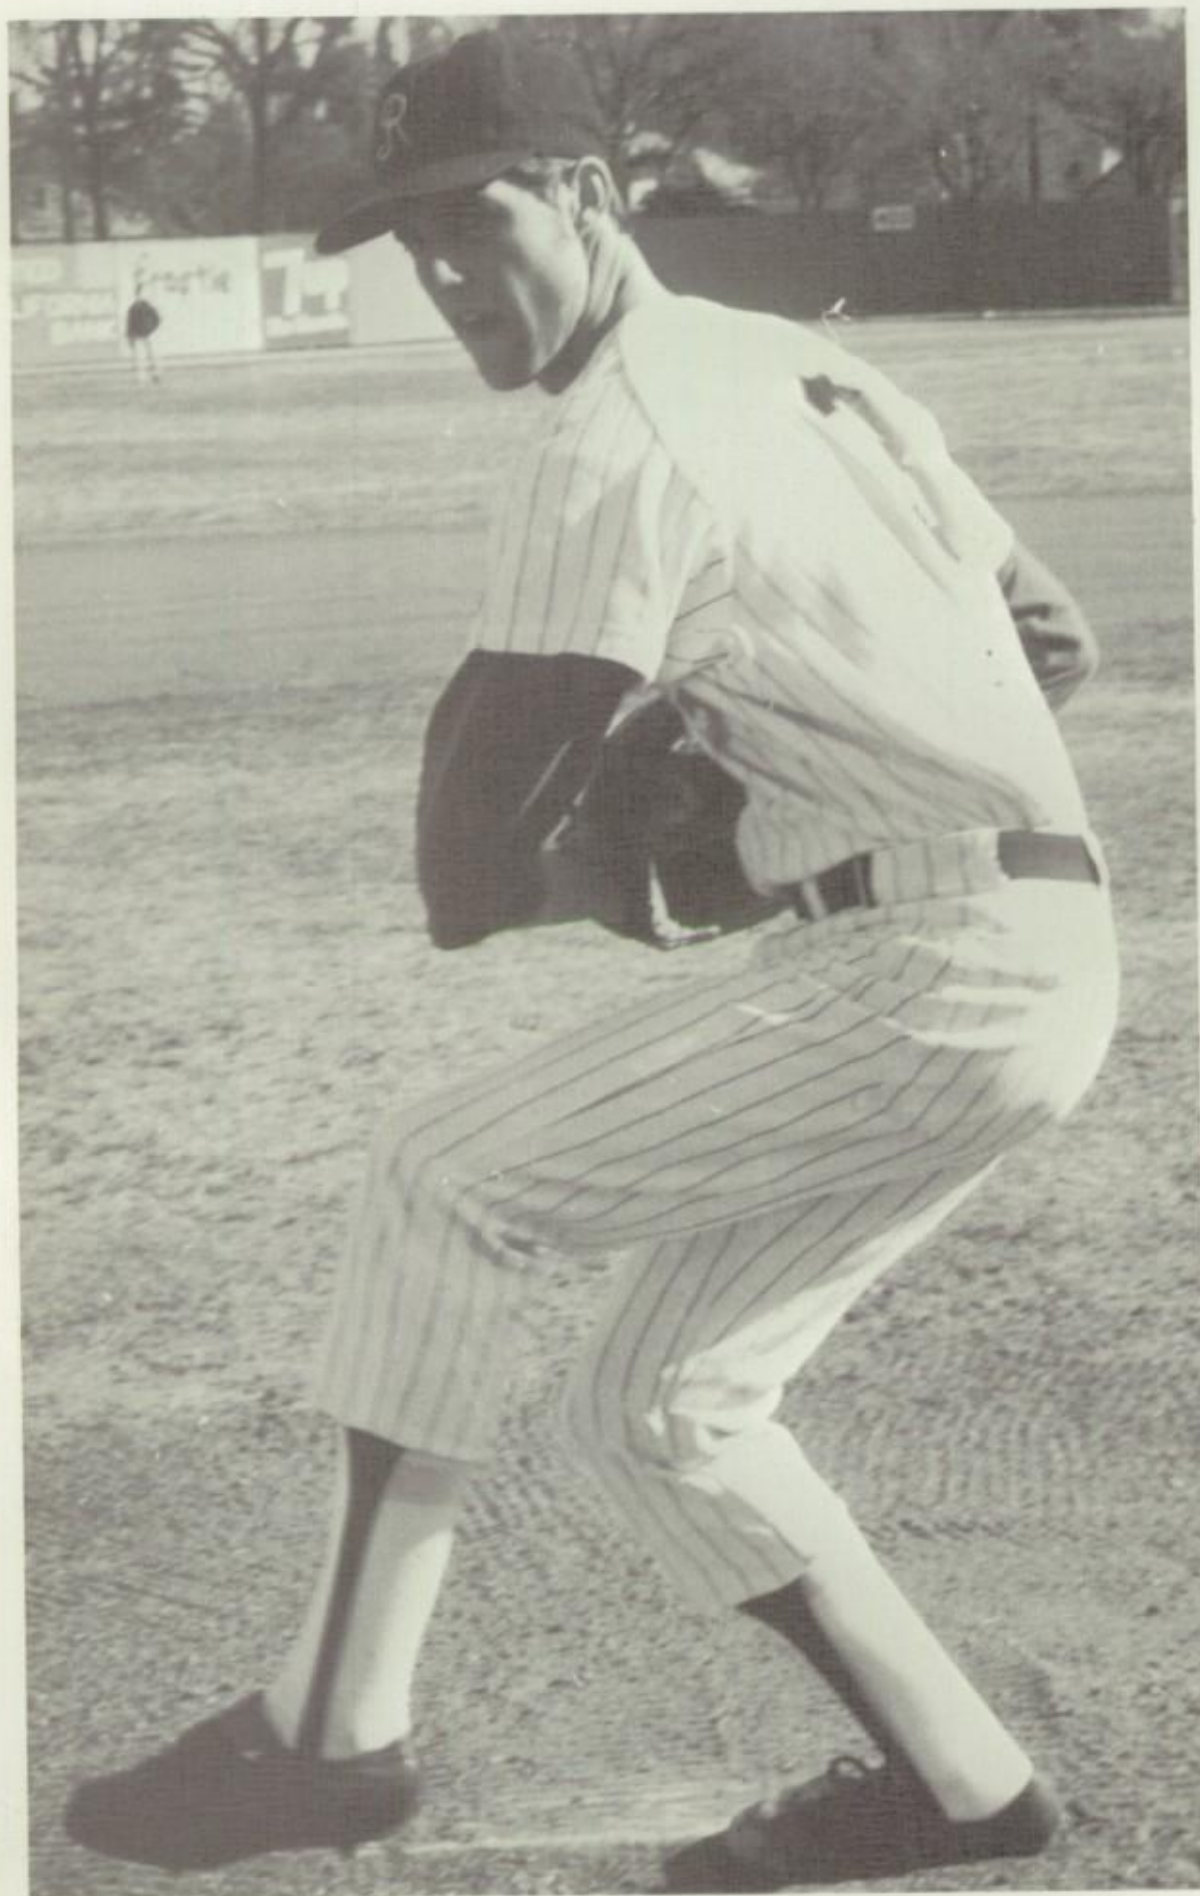

Matches and practices were held at the Visalia Country Club. In the first non-league match against Reedley the Rangers came out with a 16-8 victory. In another non-league match against Lindsay the Rangers were again victorious with a 24-0 decision. In the first league match against Porterville, the defending league champions, the Rangers were victorious with a 13-11 win.

The JV squad was coached by Wayne McEachern. There were several members who showed potential as next year's varsity squad.

Varsity records early-season wins

The 1971 Varsity baseball squad began non-league play with a 3-0 victory over Tulare Western. In the following game the Rangers defeated a strong Exeter team with an 8-5 victory. In the first league game against Mt. Whitney the Rangers were victorious with an 11-7 win, the first of several meetings with the Pioneers.

There were 10 returning aggressive Varsity veterans with five members up from the 1970 JV squad. This gave the Rangers one of the most explosive teams in years. Depth was their greatest asset.

All home games were played at Recreation Park. Besides meeting Mt. Whitney in CYL, the Rangers took on Tulare Union, Delano, Hanford, Monache, and Porterville. During spring vacation, tournaments were held in Delano, Tulare, and Porterville for Varsity, JV, and Frosh teams, respectively.

Coaches for the teams were Ed Fischer, Frosh; John Price, JV; and Frank Padilla, Varsity. The freshman and JV teams also had a strong defense and effective plays. Each team played three rounds of league competition and ended with a game against Hanford.

During the season, the Varsity Track Team made an effort to retain the title of CYL Champions. Composed primarily of returning juniors and seniors, the team competed in events ranging from the Tulare County Meet in Visalia and the Lemoore Divisionals to the 20-30 Relays at Tulare.

The tracksters, under head Coach Tom Stahl, competed in the five divisions—distance, under Coach John Pitman; sprints, led by Coach Clifford Stahl; hurdles, under Coach Rick Thompson; and weight men with Coach Tom Stahl. In the distance events, Ernie Moreno and John Crary rated high, while Claude Adams and Lawrence Russell led the team as jumpers. Ed Jimenez and Glenn Williams were exceptional in sprints, with Dave Bacigalupo scoring as a weight man. Three excellent team mates in the hurdles events were Larry Sharp, Ed Jimenez, and Glenn Williams. The season ended with the Valley Finals.

CREATE INTEREST

Wherever you go; whatever you do,
create interest in yourself, in the things
you do. Sometimes it takes money to
do it, and the way to get it is to
start a savings account at MINERAL
KING SAVINGS in Visalia. That money
creates more interest—extra money to
do all the things you have in mind. It
keeps earning more money for you without
turning a hand. The sooner you start, the
more money you'll have in the future.

1971: A time for changing

You came here only yesterday—to Redwood, a school whose walls were tumbling beneath the strain of passing years. But that has changed now. All things must change as time goes on, and 1971 at Redwood High was just that—a time for changing. The new buildings were not the only aspect of change; students' attitudes and ideas were constantly changing. With the formation of La Raza Unida and The United Sisters and Brothers—students working toward the brotherhood of man—Redwood has seen change. 1971 was a year of change for everyone.

It was your year and there will never be another one like it because you will never be exactly the same. The memories you preserve and cherish are all that's left of a year that is gone, 1971: the year of change.

Someday We'll Come To This Place Again,
Asking, "Hasn't It Changed?
Or Is It Only Us?"
Our Minds Opened To The World,
Closing Out The Dark,
Bringing In The Sun.

Somewhere We'll Meet Again,
Asking "Don't I Know You?
Or Are You Just A Memory?"
Our Love Was Just A Passing Mist,
Letting Escape The One Time Sadness,
Trying To Recapture The Forgotten Happiness.

Somehow We'll Look Back,
Asking, "Where Did It Go?"
And Knowing That The Past Is Distant Thoughts,
Smells, Sounds, And Once Treasured Feelings.

But The Warmth Will Remain,
And The Party Has Just Begun.

—Diane Hershkowitz

Mary!
 What can I
 say about this
 year. It has been
 fun. More than most.
 I will miss it next year.
 But cos sounds pretty good too.
 Have fun this summer.
 Good Luck

Love, Olivia
 -MARY-
 YOU'RE A REAL
 GREAT AND SWEET
 GIRL. AND A MIGHTY FINE
 FRIEND TOO. HAVE FUN IN
 HOLLAND THIS SUMMER.
 BEST OF LIFE TO YOU.
 LOVE -
 KATHY UOTA

and a very
 great
 year
 I hope
 you
 have
 a
 great
 summer
 and
 have
 fun
 in
 Holland
 this
 summer

Mary!
 I'll never understand
 how in God's world you made
 it through Biology with Mike as a
 lab partner. You're really sweet
 and I hope that after you
 graduate I'll see you around
 sometime.

God Bless You
 Anpara!!

Mary, I'm
 glad I've known
 you for the past
 four years, you've
 been so sweet.
 Have a nice
 summer. Always,
 Dianne Sanchez

Mary -
 you are a very
 nice and pretty girl.
 Even though I didn't
 see you that much this
 year I hope the best
 friends
 Bertha
 Calderon
 will be
 in with you.
 I hope you
 have a great
 summer and
 have fun in
 Holland.
 Love
 Mary

Maria!

Es freut mich sehr das ich dir in
meiner Klasse haben für vier Jahren.
Wir haben viel Spass gemacht in P.E.
und in unsere anderen Klassen wie
"Civics". Herr Condon und Herr Bell
sind wirklich verrückt aber sehr
komisch. Erinnerst? du wann Herr
Condon hat an der Stuhl gestanden?
Ich hoffe das wir immer gute
Freunde sind. HA Du solltest spass

haben dieses So
und ich auch!

Well Well our little Dutchman
is going to Holland this Summer. That's
nice and I hope you enjoy every bit of
it cause when you get back you'll be shot!
No not really. Hey it's been a fantastic
4 years now quite a time driving you in &
Live it up while you can cause next year
starts all over again. Love to you

Love, Fred Winsor

Mary,
always a dear friend
when no one else was around.
I will always remember you!
Good luck this summer in Holland.

Mary,
 I don't know
 your future plans
 but I really doubt if
 I'll see you again after this
 year. I'll always wish
 you the best of everything.

Mary, I think it was just great to meet you in Germany IV, and I
enjoyed so much having you as a good friend in the
Methodist Church and Sunday School. Believe me, I'm really
very glad to go home. And even so it. Whitney is the best
School, I almost and today for leaving Redwood. And if I come
Thursday, then I'm crying perhaps, yet. It's so good to leave
nice people and friends like you are. But I just have to see
you again, and when you're going to the Netherlands you'll
have to visit me. That's a great opportunity, and if you'll
miss it I will be hurt in my feelings. And when I'm hurt in
my feelings, I'll soon be with or write to you. Believe me,
that will be done in Denmark!
